Pitchers	Monthly Pitch Totals (Please fill in numbers from Game Logbook Forms) Each number below corresponds to a day of the month. Mark in the number of pitches thrown on a day and mark an X to indicate the rest days. In the example, John Smith threw 45 pitches on May 1 and requires 3 days rest (days marked by X). He can pitch again on May 5.																															Total Pitches for the month	Total Pitches to date for the year
