Top things To Do In Milan

Window Shop in the Quadrilatero d'Oro

Watch the beautiful people parade up and down the streets of the Quadrilatero d'Oro. Stroll down the sidewalk and check out Prada, Armani, Versace, Dolce & Gabbana, Ferragamo, and Valentino.

Visit The Milan Cathedral (Duomo)

If you only have time to see one sight in Milan, this would be it. Milan's Duomo is, after all, the world's fourth largest, taking half a millennium to build. Begun in 1368, the breathtaking Gothic cathedral can hold 40,000 people

Eat at "Luini Land". Beside the Duomo, visit Luini and try the legendary panzerotti – a fried pastry triangle stuffed with tomato and oozing mozzarella – originally from Puglia, but definitely one of Milan's most recognizable treats.

Become inspired by The Last Supper

Leonardo da Vinci's The Last Supper is undoubtedly Milan's best-known attraction; Examine the expressions of consternation, hostility and despair on the faces of the disciples, just as Jesus reveals his imminent betrayal.

Top things To Do In Chamonix

Scale Mont Blanc. Well, sort of… The view from of the 3,842 metre Teleferique l'Aiguille Du Midi cablecar, is breathtaking.

Visit the Montenvers railway… to see the 7-kilometre Mer de Glace glacier, the third largest in the Alps. It is spectacular.

Soak up the cafes, restaurants and buzz of the pedestrianized Chamonix town centre.

Work off the food with walking… Let's face it, if you like wine and cheese, you have come to right place. Freshen up with daily hikes to work off those wonderful calories.
