

**Memorandum: 2017-11**

**Date: August 29, 2017**

**To:** All Midget Registered Players/Parents/Families

**From:** Board of Directors/Staff

**Re: AMHA Midget Registration Update**

---

Attention AMHA Registered Midget Players/Parents/Families:

In follow up to the August 4th memo regarding Pre-Season Midget Registration issues the AMHA Board/Staff want to provide an update with regards to the situation.

The past few weeks have seen our registration numbers further decline. More specifically the decline has been at the Rep level. The current numbers registered to tryout for Rep Hockey do not justify fielding more than one Rep team at this time. To begin Rep Tryouts later this week, the AMHA will be moving forward under the auspice the AMHA is fielding the following combination of Rep and Rec teams for the upcoming season.

Midget Rep - 1 Team  
Midget Rec - 6 Teams

If you are currently registered within the AMHA your registration **is not affected**. You are still registered and the AMHA will still be fielding seven (7) teams in the Midget Division. It just will only be one (1) Rep team instead of two (2).

The AMHA will continue to monitor registration and is committed to being open to doing what is in the best interest of our members and most importantly the kids moving forward in the event there is further changes required.

As this mostly affects those who have chosen to tryout for Rep Hockey, any further questions, concerns will be addressed at the Mandatory Rep Parent meeting on August 31st.

Regards,

Board/Staff  
Abbotsford Minor Hockey Association
