Re: AMHA Pee Wee Registration Update

Attention AMHA Registered Pee Wee Players/Parents/Families:

In follow up to AMHA Memo 2017-10 and upon further review our our registration situation at the Pee Wee level, the AMHA has decided at this time to only field three (3) Pee Wee Rep Teams and will not consider a fourth Rep Team this upcoming season.

With the shortage of goaltenders in the division in order for the AMHA to give Pee Wee the best chance of success in having coverage of goaltenders for all teams the AMHA has been working on an affiliation plan to gain coverage for teams when goaltenders are unable to attend games/practices due to sickness, injury, family, and educational concerns it is not feasible to field the fourth Rep Team.

The AMHA is committed to offering programming that is in the best interest of our members and most importantly the kids moving forward and will continue to monitor all registration challenges. Any further questions or concerns will be addressed at the Rep Parent meetings
