Re: Call for Volunteers - Christmas Kettles

Attention All Team Managers/Coaches:

As part of the AMHA's current strategic plan one of the objectives the AMHA is working towards is community engagement. The purpose of community engagement is to ensure the AMHA is relevant in the community, for us to give back to the community, and show our children the importance of volunteering for various causes.

This season the AMHA's goal is to do a minimum of four community engagement events on behalf of the Association. To date we have participated with a booth at the Abbotsford Canada Day Celebration along with a float in the parade, and participated in the clothing/food drive during picture day.

In past years we have had AMHA teams participate in the Christmas Kettle program. At this time the AMHA Board of Directors is looking for any teams interested in participating in this program in the upcoming weeks.

Any team interested in volunteering with this program, please contact our Director, Volunteers Rick Barkwell at volunteers@abbotsfordminorhockey.ca
