

Memorandum: 2017-7

Date: August 3, 2017

To: All Abbotsford Minor Hockey Association Members

From: Kolin Kriitmaa, Executive Director

CC: Jen Robillard, Risk Manager

Re: EPact Network Sign Up

Attention AMHA Members:

For the 201718 season in an effort to streamline and make the process of keeping proper emergency contact/medical forms for our players the AMHA has registered with EPact. EPact connects our coaches, managers, HCSP, and players' families through a highly secure, online network, allowing us to access critical information and communicate in case of emergency.

The use of EPact is mandatory by all AMHA members and you must register your child prior to their first on ice session of the season.

The process for registering for Epact is the main email account you registered your child with at the time of online registration will be sent an email from the Epact system. You create an online account with your child's information and this account will be assigned to your child's HCSP Team Official.

For further information please visit the Risk Management page of our website, or visit www.epactnetwork.com

Regards,

Kolin Kriitmaa
Executive Director
AMHA
