

Airdrie CFR Chemicals Midget AAA Bisons Hockey Club

SPRING CAMP

My name is Dustin Taylor and I am the Head Coach for the Airdrie CFR Chemicals Bisons Midget AAA Hockey Club. I would like to extend this invitation to participate in the Bisons Midget AAA Spring camp from June 15th – June 17th at Genesis Place Arenas in Airdrie. This invitation is open to all players eligible to try out for the AAA Bisons this coming fall.

Our primary outcome of this camp is to educate and inform all interested players and families with regards to the details of the Bisons AAA program and expectations when entering into Training Camp in September. At the end of the weekend, each player will receive an interview with feedback from the coaches in order to help the players prepare and improve over the summer for the AAA Bisons Training Camp this fall. Our staff strongly believes in not only developing a players' hockey skills, but also each individuals' life skills as well.

Camp Plans

The Spring Camp will involve a skills/practice session on Friday, June 15th followed by game play on Saturday and Sunday. An Information Session will be added during the weekend to educate and highlight the Airdrie Midget AAA Bisons program and player expectations. The number of games will depend on registration numbers received.
