

**How does this work?**

Managers will collect cheques from families on their team. Cheques must be in to team managers before October 23<sup>rd</sup>.

**What if I don't have cheques?**

Please visit your banking institution and ask for one. Banks are able to issue one cheque at a time for instances like this. If you absolutely CAN NOT get a cheque, find a friend, aunt, grandparent, mom, dad, brother, sister who is willing to put up a cheque in your name.

**Who does not need to provide a cheque?**

Managers, Head Coaches, Board Members, Tournament Chairperson, Evaluations Volunteers who have given 10 hrs or more prior to the start of the season.

**What about Assistant Coaches?**

Don't get us wrong- WE LOVE OUR ASSISTANT COACHES however the volunteer deposit program begins at the start of the season when many teams have a plethora of assistant coaches. For reasons beyond our control assistant coaches don't always stick with the team for the duration of the season OR assistant coaches are carded as such to fill a very small gap on the bench or on the ice a couple of times. There are assistant coaches who are extremely committed and do not miss a game or practice and there are assistant coaches who are unable to commit for countless reasons. Therefore it's complicated and we will ask all assistant coaches to give cheques and we promise they will not be cashed if you've committed 10 hrs to the team.

**What if I have volunteered for the association and not our team? Ie) Golf Tournament, Evaluations, Jersey Hand out or Return etc**

AMHA has a list of those amazing people who have given their time pre-season and will be ensuring they have gotten credit for their time.

**Can my child be involved in this?**

Absolutely! Your child can take part in initiatives like Jersey Return, Christmas Hamper program, and tonnes of other opportunities throughout the season. If Grandma sells 50/50s and Grandpa runs the clock, of course that counts too!

**What is AMHA going to do with all that dough?**

To be clear, AMHA does NOT want your money, we need your time. This is a volunteer driven organization. We can only be successful when our members are able to help out. We are hoping that at the end of this season we have no cheques to cash and your teams/players will have had one of their best season's ever.

**Airdrie Minor Hockey Volunteer Deposit Program-Minimum 10 Hours per Family per season**

A volunteer commitment cheque of \$200 post-dated to April 1st current season, will be required for each family within Airdrie Minor Hockey. (Excluding Mighty Mites and Jr. Timbits)

The volunteer commitment cheque must be submitted to your team manager the second week of hockey. If your cheque has not been received your child **will not be allowed on the ice** until it has been received by your manager.

Team managers will keep track of those families who contribute their time to the team and submit a report to AMHA mid-season (December 15<sup>th</sup>) and at the end of the season (March 30<sup>th</sup>). Those families who did not volunteer in any capacity throughout the season -whether for AMHA as a whole or for their individual teams will have their cheques cashed on April 1<sup>st</sup>.

AMHA Administrator will keep track of those families who contribute their time on an Association level. Throughout the season there are many opportunities to help out and there will not be a lack of hours available. In some of the cases these hours can be completed by older players (ie) Hockey Fights Hunger Food Drive, Lioness Hamper Program, Jersey Return etc.

Association Positions	Credit
Board of Directors and Executive	Full
Evaluations Division Coordinator	Full
AA Casino Volunteer	Full
