

APPENDIX:

Curling Alberta Mixed Provincial Championships 2018-19

See below for competition specific details. The rules and details contained in the main body of the Competitor's Guide apply to this competition. In the event there is a perceived conflict between the Competitor's Guide and this appendix, this appendix is considered to take priority.

This appendix is subject to further review and evaluation on, at minimum, an annual basis.

An eligibility change effective 2018-2019, applies to competitors with a potential date conflict. See Curling Alberta's Competitor's Guide for complete detail; the changes relevant to mixed are summarized below:

- Teams competing in a Curling Alberta Provincial Qualifier do so with the knowledge that they must continue to play at all levels, up to and including the Provincial Championships, until they are eliminated. Teams will not be given the opportunity to replace team members unless it is due to any of the circumstances listed in section 13(a) of the Competitor's Guide.
- In effect, this means a competitor may enter the Mixed category and another category as long as there is no date conflict up to and including the Provincial Championship.
