

# PARENT VOLUNTEER SUMMARY SHEET

As our kids grow it is important to set examples for them. One of the most important examples one can give a child is the importance of giving the gift of time. By volunteering with the baseball club you are demonstrating a commitment to your child, the community, and the sport of baseball. It's not just parents either, we have grandparents, sisters and brothers, and aunts and uncles contributing to the club. If you do not have time, think of other family members and ask them if they might be interested in contributing to the club. Every hour is very much appreciated.

For the upcoming season, each family will be required to volunteer approximately 4-hours over the course of the season to help the Association. NOTE: Scorekeeping (Any Divisions), field maintenance and umpiring (T-Ball/Rally Cap & Tadpole Divisions) DO NOT qualify for your Association volunteer hours
