10.9 Polls

If at any meeting a poll is demanded on the election of a Chair or on the question of adjournment, it shall be taken forthwith without adjournment. If a poll is demanded on any other question it shall be taken in such manner and either at once or later at the meeting or after adjournment as the Chair directs. 10.10 Adjournments

The Chair may with the consent of any meeting adjourn the same from time to time and no notice of such adjournment need be given to the members. The Board may suspend a Chapter for such period of time as is necessary to examine the conduct of its affairs or its lack of activity and may, after giving members of the Chapter a fair hearing and if the circumstances warrant, revoke its charter. Upon such revocation, the members of the Chapter concerned shall cease to be members of the Corporation.

Team performance (i.e. won-loss record) will not be considered suitable grounds for revocation of appointment.

4.1.15 In all cases where the appointment of a Head Coach is being considered for revocation, the Head Coach will be temporarily suspended from further team activities until an Investigation Committee chaired by the President, or next highest ranking Board of Directors member not in a conflict of interest position, completes an investigation and reports to the Board of Directors. 4.8 Sponsor patches are to be attached to the lower back part of the jersey in such a fashion as to be visible and to facilitate removal at the conclusion of the season, without damaging the jersey in any way.

4.9 Only Association approved sponsor patches may be applied to any official Association jersey. Note this regulation does not apply to privately-owned practice jerseys.

4.10 Individual player nameplates are permitted and must be applied to the upper back part of the jersey. The only acceptable nameplate is one which shows the proper last name of the player in block capital letters.

4.11 The use of player nameplates is at the discretion of the individual teams and is subject to the restriction that if a team decides to apply nameplates to jerseys all players must have a nameplate. All arrangements regarding ordering, pick-up, payment for and application to and removal from the jersey are the responsibility of the individual team. Nameplates must be applied to each jersey in such a fashion as to facilitate removal at the conclusion of the season, without damaging the jersey in any way.

4.12 Only the letters C and A may be applied to the front of the jersey and must be in a location consistent with CHA rules.

4.13 Black armbands or special initials may be attached to the arms of the jersey to honor individuals or special circumstances, but must not conflict with any rule of a higher hockey body and must be capable of being removed without damaging the jersey in any way.

4.14 In order to extend the life of Association equipment, team jerseys and socks are not to be worn during practices. Note that jerseys which have been retired by the Association and given or sold to a player are exempt from this rule. Should a player be in violation of this rule one warning will be issued. Second violation of this rule will result in the player's jersey being confiscated and assigned to team management for distribution and collection at the beginning and end of games, respectively. Further violation of this rule will result in the player being suspended from participation in Association sponsored activities until such time as they appear before the Association Disciplinary Committee

4.15 If requested, all team jerseys are to be returned to the Association laundered and in undamaged condition within 14 days of the conclusion of the season.

4.16 Any player returning a jersey which has been intentionally damaged or damaged due to neglect so as not to be usable in the following season will be responsible for reimbursing the Association the cost of a replacement jersey.

4.17 The determination of intentional damage or neglect is solely at the discretion of the Board of Directors.

4.18 Any player not returning a jersey will be responsible for reimbursing the Association the cost of a replacement jersey plus an additional penalty, to be determined annually by the Board of Directors, within 14 days of notification by the Board of Directors. Failure to do so will result in suspension of playing privileges for the next season.

4.19 Teams are not to purchase any equipment on behalf of the Association without the written approval of the Board of Directors, and are responsible for any costs over and above that authorized by the Board of Directors.

4.20 Equipment which is loaned to players for the season must be signed out and is loaned on the understanding that it must be treated with care and respect and returned at the end of the season to the Association in acceptable condition as per section 16 above. The borrower will be responsible for reimbursing the Association for or replacing any damaged equipment.

4.21 Any equipment borrowed temporarily from the Association must be signed out and returned expeditiously on completion of use and in acceptable condition as per section 16 above. The borrower will be responsible for reimbursing the Association for or replacing any damaged equipment.

4.22 Players must wear full equipment in its proper position, as stipulated in Hockey Canada and OWHA rules, at all times when participating in a game or on-ice practice. Failure to do so requires the player to leave the ice surface immediately.

5. Police Checks and Speak Out Training

5.1 All Board of Directors members, coaches (Head and Assistant), trainers and team managers will be required to complete Police Checks and submit same, in confidence, to the President of the Association or his/her designate within two months of the first ice time of the current season. To be valid the Police Check must be dated no earlier than three years prior to the first ice time of the season.

5.2 Police Checks will be accepted for any individual from any other volunteer organization (eg. Soccer, baseball, etc.), provided that they are dated no earlier than three years prior to the first ice time of the season.

5.3 The Board of Directors reserves the right to request additional Police Checks solely at their discretion.

5.4 Speak Out training is mandatory for all Board of Directors members, coaches (Head and Assistant), managers and trainers and must be completed within two months of either election to the Board of Directors or the first ice time of the season.

5.5 Any individual not meeting the above requirements will be suspended from involvement in Association activities until the requirements are met.

5.6 The Board of Directors, at its sole discretion, will have the authority to extend the deadline for completion of Police Checks and Speak Out training.

6. Suspensions

1) The Head Coach is responsible to ensure that the Association President, and applicable Convenor (Rep or House League) receives a copy of the game sheet in which a suspension (player or team staff) is incurred as well as copies of all game sheets during which the suspension served, within 24 hours of game end date and time.

7. Female Development Players

7.1 The Association policy in regard to FDP's will follow the most up to date policy of the OWHA.

7.2 FDP's cannot participate in a game unless there are players absent and their attendance would bring the roster to no more than 15 skaters or 2 goalies maximum.

8. Coaches and Managers Meeting

8.1 Attendance of the Head Coach or designated team Representative for each team at all Board of Directors directed coaches meetings is mandatory. Failure by a team to attend a meeting will result in a Disciplinary Hearing.

8.2 Attendance of the Manager, the Head Coach, or designated team Representative for each team at all Board of Directors directed managers meetings is mandatory if the team has a manager. Teams that do not have managers are not required to attend. Failure by a team to attend a meeting will result in a Disciplinary Hearing.

9. On-Ice Activities

9.1 Within the boundaries of the hockey facility during which an AAGHA sanctioned event is taking place, team coaches and/or managers are responsible for the conduct of all their players and coaching staff, both on and off the ice.

9.2 The only on-ice personnel allowed are, the head coach, team staff and student coaches doing volunteer hours as required by the Minister of Education. All on-ice personnel must have paid the required OWHA registration fee and submit for insurance coverage.

9.3 A coach with a minimum coach level certification and a Level 1 (one) trainer must be present on the bench during all games. In the event that your Level 1 (one) trainer is unavailable, a replacement must be obtained from the opposing team. A Level 1 (one) (female) trainer must be present during all OWHA Sanctioned activities (on-ice and off-ice).

9.4 Players are to remain away from the ice surface until the resurfacing machine is off the ice and the access doors are closed

10. Dressing Room Policy

The following is the dressing room policy approved by the Ancaster Avalanche Girls Hockey Association Board of Directors for all AAGHA teams regardless of age or OWHA Category.

This policy has been adopted to make the arena a safe, secure and comfortable place for all the girls participating in the Association.

10.1 Dressing rooms will be **off-limits** to all males, including, but not limited to, fathers, brothers, grandfathers, while **any** players are changing into or out of hockey equipment before or after a game. In application this means that any equipment adjustment required to be done by a male, such as, but not limited to, skate tying, will be done outside the dressing room.

10.2 A minimum of one adult female must be present in the dressing room at **all** times during which players are in the room. Preferably this individual will be the registered team trainer, however, in her absence she may designate another suitable adult female as dressing room monitor. This individual should remain in the dressing room until the trainer returns or another designate is appointed.

10.3 Male coaches will be admitted to the dressing room 10 minutes prior to official game or practice times to conduct pre-event talks and for up to 10 minutes after the game or practice is completed and players have left the ice, to conduct post-event discussions. During these two periods, a minimum of one adult female should be present in the dressing room as per the above.

10.4 In the event that a player arrives in the dressing room during the 10-minute pre-game period she is not to commence dressing until all male coaches have left the room for the start of the game or practice.

10.5 In the event that a player is still in the process of dressing when the 10-minute period is to commence, that player will be requested by the trainer or her designate to stop changing, to don suitable covering clothing and not continue to change until all male coaches have left the room for the start of the game or practice.

10.6 The only exception to the above will be in the event of a medical emergency as determined by and at the sole discretion of a qualified trainer or medical practitioner.

10.7 The use of cell phones, personal digital assistants (PDA's) or other image-taking devices is prohibited in all dressing rooms except when being used to deal with a medical emergency as determined by and at the sole discretion of a qualified trainer or medical practitioner.

10.8 Team Trainers are responsible for enforcement of the Dressing Room Policy.

10.9 Individuals violating the Dressing Room Policy will be subject to a Disciplinary Hearing. The Disciplinary Committee may, at its discretion:

10.9.1 Ban the violator from the players' area of all arenas; and/or

10.9.2 Assess additional penalties up to and including permanent suspension from the Association.

11. Misbehaviour

11.1 Code of conduct

11.1.1 This Code of Conduct identifies the standard of behaviour which is expected of all members of the AAGHA including players, coaches, team staff, parents, Board of Directors members, volunteers, chaperones and others.

11.1.2 The Association and its members will conform to the Constitution, By-Laws, Rules, Regulations and Policies of the Ancaster Avalanche Girls Hockey Association Inc., Ontario Womens Hockey Association, Hockey Canada and rules of all Associations with which AAGHA is affiliated.

11.1.3 The Association requires its members to abide by the City of Hamilton Zero Tolerance policy for violence in recreational facilities.

11.1.4 Members shall at all times conduct themselves at all times, including when communicating via electronic media in a fair and responsible manner. Members shall refrain from comments or behaviors which are disrespectful, offensive, abusive, racist or sexist.

11.1.5 In particular, behavior which constitutes harassment or abuse will not be tolerated by the AAGHA.

11.1.6 Members shall not engage in activity or behavior which endangers the safety of others.

11.1.7 During the course of all AAGHA activities and events, members shall avoid behavior which brings the AAGHA or the sport of hockey into disrepute, including but not limited to abusive use of alcohol and non-medicinal use of drugs.

11.1.8 Members shall not use unlawful or unauthorized drugs/narcotics or performance enhancing drugs or methods.

11.1.9 Any team official, player, or Board of Directors member who is intoxicated, under the influence of any illegal substance or who consumes alcohol or any illegal substance in the arena shall be subject to a Disciplinary Hearing and may be subject to expulsion from this Association.

11.1.10 Smoking or the use of profane language will not be tolerated in any arena building.

11.1.11 Any abuse of arena facilities is forbidden.

11.1.12 All municipal directives will be strictly enforced in all city arenas.

11.2 Harrassment

During the course of all AAGHA activities and events, harassment in any form will not be tolerated. Harassment includes, but is not limited to, unsolicited remarks, gestures, physical contact, slander or libelous acts. Specifically forbidden is harassment of a sexual, religious, racial and / or ethnic nature. Additionally, retaliation and / or intimidation against any individual who has made a complaint will be considered harassment.

11.3 Yellow card program

The purpose of this program is to intervene in cases where a fan at a AAGHA game has forgotten that he or she must demonstrate good behaviour as an example to our children. Each year, members of the coaching staff and/or the Board or Directors will be given a few cards printed on yellow paper. The cards may be handed discretely to any fan or fans not conforming to our Association code of conduct. The wording of the text on the card may be modified from time to time by the Board of Directors.

12. Conflict of interest

12.1 Executive members of the Ancaster Avalanche Girls Hockey Association will avoid real or perceived conflicts of interest.

12.2 A conflict of interest would occur when an individual's private interest interferes, or even appears to interfere, with the interests of the Association.

12.3 When any issue arises that may present an actual or apparent conflict the Board member must disclose that issue to the members of the Board as soon as the issue arises.

12.4 Board members are considered to be in a "conflict of interest" whenever they themselves, business partners, family members or close personal associates, may personally benefit either directly or indirectly, financially or otherwise, from their position on the Board. Merely having a daughter playing in the same division as an affected party does not by itself constitute a conflict of interest.

12.5 If the Board member is not certain he / she is in a conflict of interest position, the matter may be brought before the President for advice and guidance.

12.6 It is the responsibility of other Board members who are aware of a real, potential or perceived conflict of interest on the part of a fellow Board member to raise the issue for clarification, first with the Board member and, if still unresolved, with the President.

12.7 The Board member must abstain from participation in any discussion on the matter, shall not attempt to personally influence the outcome, shall refrain from voting on the matter and unless otherwise decided by the Board, must leave the meeting room for the duration of any such discussion or vote.

12.8 The disclosure and decision as to whether a conflict exists shall be duly recorded in the minutes of the meeting. The time the person left and returned to the meeting shall also be recorded.

12.9 If there is any question or doubt about the existence of a real or perceived conflict, the Board will determine by vote if a conflict exists. The person potentially in conflict shall be absent from the discussion and vote.

13. Discipline Committee and Disciplinary Hearings

13.1 Each year after the Annual General Meeting, the President will form a Discipline Committee. The Board of Directors must accept or reject the recommendation for the Committee membership by a majority vote. If the Board of Directors rejects the recommendation, the Vice-President shall propose the membership for the Discipline Committee. If the Board of Directors rejects the recommendation, the Secretary shall propose the membership.

13.2 The Committee shall comprise at least 3 members. It must include at least 2 members of the Board of Directors and may include any number of Association members including members appointed under the terms of ByLaw 3 Section 1.1.4.

13.3 Contact information for the Committee shall be posted on the Association website.

13.4 Any member of the Committee who declares himself to be in a conflict of interest for any issue will be replaced for that issue only by another member of the Board of Directors, as appointed by the President. If the President is in a conflict situation, the Vice-President will appoint the replacement member. If the Vice-President is in a conflict situation, the Secretary will appoint the replacement members. And so on, following the order Registrar, Ice Scheduler, Rep Convenor and House League Convenor.

13.5 The mandate of the Committee will be to review:

13.5.1 All offenses or breaches of Code of Conduct committed by any Association member during an Association activity. These can include, but are not limited to, incidents occurring before, during and after events conducted either at Association home locales or at other Association centers

13.5.2 All suspensions and major penalties incurred by players and team staff during games.

13.6 The Discipline Committee will make recommendations to the Board of Directors for penalties to be imposed. Penalties recommended by the Committee may include but are not limited to the suspension of coaches or team staff, revocation of membership, banning members from arenas, and issuing a warning or sanction regarding possible future actions. In the case of offenses committed during games, the Committee will determine and recommend if additional penalties over and above those imposed by the OWHA and/or the League the team is participating in shall be imposed.

13.6.1 The Board may accept the recommendation of the Discipline Committee in whole or in part by majority vote. The Board may reject the recommendation and request that the Discipline Committee reconsider the matter, with further instructions for consideration by the Committee.

13.7 The Discipline Committee may recommend that a complaint be filed by the Board with the City of Hamilton under its Zero Tolerance for Violence policy, however the complainant must demonstrate that having the Board file the complaint is more effective than having an individual file the complaint. In most circumstances, individuals who witness such a violation are advised to file the complaint with the City of Hamilton as individuals.

13.8 If the Discipline Committee receives a complaint about a member of the Association, or if a complaint has been filed under the City of Hamilton Zero Tolerance for Violence policy against a member of the Association, the Discipline Committee may require that the member take the Hockey Canada Respect in Sport course, or equivalent. The member must provide proof to the Board that he or she has taken the course before resuming normal status within the Association.

13.9 Association support for any team, coach or player appealing a ruling by a higher Hockey authority (for example, OWHA) must be authorized by the Board of Directors. Once authorized, best efforts will be made by one or more Board of Directors members to attend the hearing for the purposes of giving testimony.

13.10 Except where availability or travel conditions prohibit, a member of the Disciplinary Committee or a designate will attend any Discipline hearings held by the OWHA or Local Leagues for any Association player or team staff member, for the purposes of representing the Association.

13.11 Notwithstanding the above, denial of association support does not prohibit any team, coach or player from appealing a ruling by a higher Hockey Authority on an independent basis.

14. Complaints

14.1 Policies and procedures may be modified or updated from time to time by the Board of Directors as long as they are posted on the Association website.

14.2 Members wishing to discuss a complaint or grievance must observe a 24 hour “cooling off” period to prevent further escalation and poor communication. Members who do not observe this cooling period may be brought before the Disciplinary Committee and may face suspension or expulsion from AAGHA.

14.3 Any decision by the AAGHA Board of Directors on an issue will be made with regard to the policies of the AAGHA (which comply with OWHA and LLFHL guidelines). Where the policies of AAGHA do not cover the issue, reference will be made to OWHA and LLFHL Regulations and Policies.

14.4 All decisions made by the AAGHA Board of Directors are considered final. There is no appeal process to this decision, except for any situations where a member of the AAGHA is in real, immediate danger or is being subjected to actions contrary to the OWHA Harassment/Abuse Policies as stipulated in the most recent version of the OWHA Handbook.

14.5 Any association member that circumvents the following procedures or disregards this policy, may be suspended and dealt with in accordance with the AAGHA Disciplinary Process.

14.6 Parents and other members of the Association who have a complaint of any nature must:

14.6.1 Speak first to the team’s Parent Liaison who is the liaison between the coaching staff and parents;

14.6.2 If the issue is unsatisfactorily resolved, speak to the coach;

14.6.3 If the issue is unsatisfactorily resolved, the issue may be forwarded to the Division Convenor;

14.6.4 If the issue is unsatisfactorily resolved it may be forwarded, in writing, to the Disciplinary Committee. Issues forwarded to the Disciplinary Committee that are not in writing may not be addressed;

14.6.5 If the issue is unsatisfactorily resolved, the issue may then be forwarded in writing to the AAGHA President who will make a final resolution of the matter.

14.7 Teams or team officials who have a complaint of any nature must:

14.7.1 Discuss the matter with the Division Convenor;

14.7.2 If the issue is unsatisfactorily resolved, the complainant may forward the issue, in writing, to the Disciplinary Committee;

14.7.3 If the issue is unsatisfactorily resolved it may then be forwarded in writing to the President for final resolution.

14.8 If a complaint or grievance involves a member of the Board of Directors:

14.8.1 Subject to the conflict of interest provisions above, the Disciplinary Committee shall review the association By-laws, Policies or Code of Conduct to determine whether disciplinary action is required;

14.8.2 If the Disciplinary Committee finds that the complaint is valid, the subject(s) of the complaint or grievance shall be granted an opportunity to present their positions;

14.8.3 The ruling by the Disciplinary Committee shall be brought to the Board of Directors for final resolution;

14.8.4 Subject to the conflict of interest provisions above, the Board of Directors may, at its discretion and by a majority vote

14.8.4.1 Formally reprimand the subject of the complaint;

14.8.4.2 Informally reprimand the subject of the complaint;

14.8.4.3 Mandate that the subject of the complaint resign from his position.

14.8.5 The ruling of the Board of Directors shall be final.

15. Appeals

15.1 A decision of the Board of Directors related to Discipline or Mediation may be appealed by any team or member of the Association.

15.2 Any appeal must be made within 48 hours of the team or individual concerned receiving notification of the decision and must be made in writing, to the Board of Directors through the President and must be accompanied by a \$200 (cash) fee.

15.3 The Board of Directors must respond to the appeal within 7 working days.

15.4 Only those members of the Board of Directors who are not in a conflict of interest may take part in the Appeal hearing.

15.5 If the President has received a written appeal of a suspension, said suspension will not begin until the appeal has been heard.

15.6 The appeal fee will be refunded if the appeal is upheld.

Enacted the 25th day of May, 2017 by a majority of the membership at the Annual General Meeting.
