

ALL PLAY HOCKEY- BIO

All Play Hockey is excited to be conducting the evaluations for the Athabasca Minor Hockey Association for the 2016-17 season. As an independent evaluation company we look forward to working with the Athabasca Hawks staff and all of their minor hockey players as this challenge is one that we take very seriously and strive for excellence.

ALL PLAY'S PHILOSOPHY

Understanding that player evaluations can be an anxious time for both parents and players, we are committed to providing a positive environment and experience for all involved. Evaluations are a much necessary structure within all minor hockey associations and we believe that the proper foundation will be in place for all players and coaches to move forward positively with their teams.

ALL PLAY'S OBJECTIVE

To provide a fair and impartial assessment of all Athabasca Hawks players total hockey skills during their allotted on-ice sessions.

ALL PLAY'S EVALUATION STAFF

All staff members have solid backgrounds in hockey that they have attained through their past experiences in hockey as players, coaches, managers, scouts, instructors, fans and in some cases as hockey parents. As well our staff has no connection to Athabasca Hawks players or staff.

Our staff go through extensive evaluation training which is led by All Play Hockey Evaluation's Director Bryan Keller.

ALL PLAY- EVALUATION CRITERIA

Player evaluations will be based from the current evaluation on-ice sessions and NOT from years past. Evaluation process and criteria has been consulted to the Athabasca Minor Hockey Association.

SKILLS PRACTICE

- Drills will be specific towards displaying each forward/defenseman's abilities to the following for evaluation:
 - Skating (speed/agility/power/strength)
 - Puck Skills (puck handling/passing/pass receiving/shooting)
 - Battle/Compete Level
 - 1 vs 1 Play
 - Intangibles (work ethic/consistency/good habits/attitude)

GOALIE PRACTICE

- Drills will be specific towards displaying each goaltender's abilities to the following for evaluation:
 - Skating (technique, speed/agility/power/strength)
 - Skills (use of hands & feet/puck-handling/recovery/rebound control)
 - Tactical/Positional (body positioning/angles/depth/square)
 - Compete/Battle
 - Intangibles (work ethic/consistency/good habits/communication/attitude,)

SCRIMMAGES/GAMES

Scrimmages will play full ice 5 vs 5. Pending lower registrations we will adapt and adjust scrimmages to smaller area games such as 3 vs 3 or 4 vs 4.

- Drills will be specific towards displaying each players abilities to the following for evaluation:
 - Skating (speed/agility/power/strength)
 - Puck Skills (puck handling/passing/pass receiving/shooting)
 - Battle/Compete Level
 - 1 vs 1 Play
 - Positional Tactics
 - System Play
 - Intangibles (work ethic/consistency/good habits/attitude/team play)
 - Goaltender's (same as practice)
