# **SIGNIFICANT INCIDENT REPORT**

## **Purpose:**

As Axemen we will provide organized lacrosse programs that will develop, support, and enrich all our members. Respect, responsibility, sportsmanship, fairness, commitment, and the spirit of friendly competition are foundational to the game of Lacrosse. Those involved at all levels should strive to uphold these principals. For Axemen players, coaches, parents and volunteers we believe these qualities are essential for success, enjoyment and athletic growth. Therefore; as Axemen we hold ourselves accountable for our actions that in the eyes of others are detrimental to our love of the game of lacrosse.

## **Reporting Guidelines:**

Axemen Team Managers are required to fill out and submit the "Significant Incident Report" when an action or situation occurs during an Axemen game that could be perceived as detrimental to the sport and/or the organization. In most cases; it will be obvious to the Team Manager that the form must be submitted but others will not be so obvious. To bring complete transparency to our organization the Team Manager is asked to submit the report when any situation occurs that they are unsure of.

Examples requiring a report:

- Ejections (Coach; player or fan)
- Fights
- Verbal abuse of an official; player; coach or fan
- Vulgar language
- Unfair Play
- Facility Vandalism
