

# CDLA Release Form

Date: \_\_\_\_\_

1. No player may be released by his/her club after May 1
2. A player wishing to be released from their home lacrosse club to play for another club in any given season must apply to their home club executive.
3. Clubs will consider each player release on a per case basis.
4. Any player wishing to transfer from one club to another must:
  - (a) Present a copy of the approved release to the registrar of the new club;
  - (b) Register with the new club 3 weeks prior to the start of the season;
5. Following review by the home club executive, and if considered by them to be acceptable, the Player Release Form will be signed by both the home club President and the Vice President to validate the release. If the release request is accepted, the Player Release Form will be sent to the player with a copy of the form to be filed with club executive records and a copy to be sent to the CDLA. Upon receipt of the signed release form the player will be released by the home club to play for another club.
6. If both clubs (i.e., the releasing club and the receiving club) agree to the release, the release will go into effect. If one of the two clubs does not agree, CDLA Regulation 24.3 states, "the release request must come to a committee, chaired by the CDLA President or designate, and, in addition, two other CDLA members, who are not associated with either of the clubs involved in the release process. The committee's decision will be final."
7. If the player applies for a release from a club, the home club reserves the right to first consider alternative solutions within the club before signing the release form.
8. The home club must notify the player of a release decision within five days of receiving the release form.
9. Players will automatically not be eligible for a Player Release if: they apply to play for another club before receiving an approved release form.
10. Once the home club releases players, they are automatically released to play for the receiving club. Releases are valid for the current season only. Players wishing to be released on a yearly basis must reapply each year.
11. CDLA will have final approval on ALL releases. Releases are not valid until they are signed by the CDLA President.
12. No member club shall permit any player from another member club to participate in lacrosse in its jurisdiction who has not met all the above requirements.
