PRESIDENT'S MESSAGE 2017

I would first like to thank Don Paulencu for serving as president for the past eight years. It is a very strong legacy that he leaves behind and I hope to continue with the solid ground work that he has started. I am looking forward to working with all fellow board members, office staff, umpires, and the countless volunteers that run baseball in Alberta through their associations and teams.

This is a very big year for Alberta Baseball. It is our 50th year and I hope you can help celebrate this special event along with all the other activities happening throughout the baseball season including the 2017 Canada Summer Games July 28 – August 13 in Winnipeg. We are planning some special things to celebrate our 50th season including some special apparel available to purchase and a commemorative t-shirt planned this year for all 2017 Provincial Championships. Please visit our website at www.baseballalberta.com throughout the season for the most current news on the Baseball Alberta 50th Anniversary celebrations.

The 2017 year looks like we are going to continue growing baseball from the grassroots level. Our 2016 season had a membership increase by 23% over 2015 and we expect to continue this upward trend. Our Member Associations have been growing and, through our support, we hope they will even exceed their own expectations. We have a common problem throughout the province that field development is not growing as quickly as membership. This is something we hope to correct so all associations do not have any road blocks as they welcome ever more players to participate in baseball. We are launching an Association Support initiative this year to provide grants to Member Associations to help build or upgrade the baseball facilities that we need. We will also continue to help grow the NCCP and NUCP programs to help enrich our associations with the top level of training for coaches and umpires to help serve the membership better.

I would like to welcome the many new members to our baseball family and look forward to a very successful 2017.

PRESIDENT'S MESSAGE 2017

Whether a player, coach, official, umpire, board member, sponsor or volunteer, you play a valuable and essential role in the development and improvement of baseball all over the province and in Canada.

We appreciate the support of Baseball Alberta in helping us grow this game nationally. All ten-member provinces, including Baseball Alberta, reported an increase in membership in 2016, which is tremendous news for baseball across our country.

I would also like to take this opportunity to praise the community of Fort McMurray and surrounding area who put on a fantastic event in hosting the Baseball Canada Cup in August mere months after experiencing the devastation that the wildfires caused in May.

Your province had an exceptional year on the field in 2016 capturing a bronze medal at the Senior Women Invitational in Red Deer. Three players from that team, Kelsey Lalor, Nicole Luchanski and Heidi Northcott later helped Team Canada to a silver medal win at the WBSC Women's Baseball World Cup in Korea.

I know the constant challenges all of us face with limited budgets but everyone from the local administrator right up to the provincial office should share in the success that Canada is able to show at the international level. Your development and contributions are not ignored, as we recognize and appreciate the strides taken and the efforts made at your local and provincial levels.

I congratulate you on all of your service and accomplishments to date, and I encourage you to continue down the impressive road you've paved thus far. I have seen the passion for baseball in the province of Alberta and have no doubt that it will continue throughout a very successful 2017.

Yours in baseball,

Jason Dickinson
President, Baseball Canada

NEW RULES FOR 2017

Blackout Weekends for 'AA' teams

- All teams highly recommended to blackout only non-league weekends
- Teams are not allowed to blackout league weekends after the July long weekend

Player Eligibility

- Only players playing in Baseball Alberta leagues (House League, 'A', 'AA' and 'AAA') are eligible for teams to use as affiliate players and be eligible to be picked up for Provincials/Westerns/Nationals

Provincial Championship Pre-Tournament Meetings

- Pre-Tournament meetings can now be done by email
- Provincial Championship host sites will receive a pre-tournament meeting agenda template that is to be sent out to all team managers prior to the tournament outlining the tournament contacts, location and guidelines.

The following bat rules were adopted by Baseball Canada for 2017

- For 13U, 16U Girls, 21U Women and Senior Women National Championships, a max barrel of 2 3/4" with (i) a 1.15 BPF (Bat Performance Factor) or (ii) USA Baseball Model with BBCOR "wood like" BPF is permitted. For the 13U National Championships using up to a minus 10-length/weight differential is permitted. For 16U Girls, 21U Women and Senior Women National Championships using up to a minus 5 length/weight differential is permitted.
- Some of the aforementioned bat types will likely not be available for 2017; however, this rule still allows bats under the previous rule to be used.
- USSSA 1.15 and USABB bats will be both approved for play under Baseball Canada rules for the 11U and under categories. This allows for all previous & current 2 1/4", 2 5/8" and 2 3/4" USSSA 1.15 certified bats to be used. USABB bats (with 2 3/4" barrels) will not be available here until 2018.

Residence Criteria

- Player residency will be defined as the residence of the player's parents or legal guardians. Acceptable proof of a player's residence will be a certified true photocopy of government issued identification (such as a driver's license or passport) of the player's parent(s) or legal guardian. Players who are subject to the joint custody of parents who are not cohabitating may use the address of either parent for the purposes of player registration. For extra clarity, billet addresses will no longer be accepted as residency for Baseball Alberta registration.
- Players will not be required to submit proof of residency at the time of registration with Baseball Alberta. Any player playing in Baseball Alberta's leagues may be required to submit proof of residency directly to Baseball Alberta upon request of the Registrar. The Registrar may make this request of players selected at random from League rosters or in situations where questions have been raised regarding the residence of a player.
- 'AAA' and 'AA' coaches will be required to review their team roster submission and certify that all player addresses are accurate and comply with Baseball Alberta residency requirements.
- Coaches who are found in violation of player residency or transfer rules will be suspended for the balance of the current season. Players who are found to be in violation of the residency rules will be ineligible for all League, Provincial, and post-Provincial play for the balance of the current season.
- Violations of the residency or player transfer rules may result in further sanctions at the discretion of the Executive of the Board of Directors of Baseball Alberta for the Association involved. These sanctions could include ineligibility of Association teams for Provincial and/or post-Provincial play, loss of funding for teams to attend post-Provincial Championships, and/or probation for one or more future seasons of Baseball Alberta League play.

LEAGUE OBJECTIVES

'AAA' Division

The objective of the Provincial 'AAA' League is to provide a highly competitive and developmental level of play for players/teams at the Pee Wee, Bantam and Midget age categories in a Province-wide format. Provincial 'AAA' Leagues will operate on a Province-wide basis for the entire season.

'AA' Division

The objective of the Provincial 'AA' League is to provide a competitive yet developmental level of play for players/teams at the Mosquito, Pee Wee, Bantam and Midget age categories in a Province-wide format. Provincial 'AA' Leagues will operate on a 3-round seeding basis, with teams playing in a Regional format in May, a North/South Divisional format in June and a Provincial Tier format in July.

'A' Division

The objective of the Provincial 'A' Baseball League is to provide a longer season of baseball for community level teams and players, allowing them to continue to play baseball through the month of July with an 'A' Provincial Championship at Mosquito, Pee Wee, Bantam and Midget age categories (based on registration).

Teams will compete in a regional format for two weekends in July with the top teams competing in a Provincial 'A' Championship. The number and size of the regions will be based on the number of teams that register. If there are too few teams registered to host the 'A' division of play, the teams entered will be given the opportunity/choice to compete in the lowest 'AA' Tier for play in July and will have an opportunity to qualify for that Tier's Provincial 'AA' Championship.

TEAM ENTRY

Provincial Team Entry Form for the **'AAA' Division** is due in the Baseball Alberta Office **no later than April 10, 2017 (March 15th, 2017 for Midget 'AAA')** along with the Team Entry Fee. All teams must submit a list of available host dates and blackout dates when the team is unavailable.

Provincial Team Entry Form for the **'AA' Division** is due in the Baseball Alberta Office **no later than April 10, 2017** along with the Team Entry Fee. All teams must submit a list of available host dates (based on the scheduled weekends of play) and blackout dates when the team is unavailable. **Late entry deadline is May 15, 2017** with all the above requirements submitted by that date to the Baseball Alberta Office (for entry into June/2nd round of play).

Provincial Team Entry Form for the **'A' Division** is due in the Baseball Alberta Office **no later than June 12, 2017** along with the Team Entry Fee and official team roster. All teams must submit a list of available host dates (based on the scheduled weekends of play)

All teams must declare on Team Entry Form whether their Association/Team is a Member Association/Team (registers all players/coaches/officials). Only Member Associations/teams may represent Baseball Alberta at Western Canada Baseball Championships and at Baseball Canada National Championships. All eligible teams have open access to the Provincial Baseball League and the Provincial Championships. All players and coaches participating in the Provincial Baseball League must be registered participants with Baseball Alberta in order to be eligible for participation.

It is extremely important that Baseball Alberta gets as many contact numbers and emails from each team as possible. We require two email addresses from each team; ideally we would like to have contact information (email and phone number) of the **Head Coach, Team Manager and Assistant Coach**. In addition, Baseball Alberta requires the email addresses of all players.

Any team who has not paid their required fees will not be entered into the Provincial League Schedule.

Only one team can be entered for the 'AAA' Division in each age category by an individual Member Association. Applications to enter more than one team for the 'AAA' Division at an age category will be reviewed and subject to the approval of Baseball Alberta. Baseball Alberta will consider proposals for additional AAA teams including specific consideration of the following factors:

- Population base / registered player base of the community and Association, respectively, from which the teams are being formed.
- % of transferring players at the age category at a maximum of 20% in the age category.
- Competitiveness of teams at the age category in previous season(s) – winning %, Provincial Championship results, RF/RA, etc.
- Overall impact on baseball more broadly in Alberta.

ROSTER REQUIREMENTS

A. PLAYER ELIGIBILITY

Midget 'A', 'AA' and 'AAA' teams are permitted to have two (2) nineteen year old players eligible on their roster. Female athletes have the option to play one year overage at each division of play, Mosquito, Pee Wee and Bantam and category 'A', 'AA' or 'AAA'.

Each team ('A', 'AA' and 'AAA') is eligible to have two (2) - 19 year old athletes on a team (born 1998)

Midget Girls – May not turn 22 or older in 2017 (recommended 1996 – 2000 birthdates - may play in Midget boys division and are eligible to compete at Provincials). For Midget Girls, 'A', 'AA' and 'AAA' teams are eligible to have overage female athletes on a team with approval by the Baseball Alberta Registrar.

Junior – May not turn 22 or older in 2017 (recommended 1996 – 1998 birthdates)

Senior – 19 years of age and up

Mosquito, Pee Wee & Bantam 'A' Provincial rosters may include up to two (2) players who are **one** year over age (may not pitch). Players submitted on a Provincial Final Roster ('AAA', 'AA' or 'A') may not sign on any other Baseball Alberta registered Provincial team final roster during the entire season of play (except as an Affiliate/Pick-Up Player or Team Alberta/Team Canada). Players may only sign one final roster (except for Provincial Championship roster as a pick-up player) and may only be on one roster at a time (if listed on an Initial Roster, that player may not be listed on another roster until removed from that roster). 'AA' players **may** play both house league and Provincial 'AA' League baseball, but may not sign a Provincial 'A' roster. 'AAA' players are mandated to be committed to their 'AAA' team solely.

All players and coaches listed on Provincial rosters must be registered with Baseball Alberta (by June 1st). 'AAA' and 'AA' players and coaches must be registered at the 'AA/AAA' Player/Coach rate while 'Community/'A' players and coaches must be registered at the Community/'A' Player/Coach rate.

For the Baseball Alberta Provincial League Play and Provincial Championships, a player may register with only one team, one category, and one provincial championship in a particular season under baseball in Alberta except in the following circumstances:

- As a replacement player approved by the Baseball Alberta Registrar
- As an approved player participating in the Baseball Alberta High Performance Program
- As an approved pick up player

Residence Criteria

NEW FOR 2017

- Player residency will be defined as the residence of the player's parents or legal guardians. Acceptable proof of a player's residence will be a certified true photocopy of government issued identification (such as a driver's license or passport) of the player's parent(s) or legal guardian. Players who are subject to the joint custody of parents who are not cohabitating may use the address of either parent for the purposes of player registration. For extra clarity, billet addresses will no longer be accepted as residency for Baseball Alberta registration.
- Players will not be required to submit proof of residency at the time of registration with Baseball Alberta. Any player playing in Baseball Alberta's leagues may be required to submit proof of residency directly to Baseball Alberta upon request of the Registrar. The Registrar may make this request of players selected at random from League rosters or in situations where questions have been raised regarding the residence of a player.
- If a registered player in Mosquito, Pee Wee, Bantam, or Midget category has changed his permanent place of residence to another location within the province, he may register with a team at his new place of residence at any time during the season with the consent of the Baseball Alberta Registrar.
- A player who has registered with another baseball organization, or comes from an area where no organized baseball was available, and who changes his permanent place of residence, after Baseball Alberta registration deadlines have passed, may be granted registration with Baseball Alberta teams upon written request to the Baseball Alberta Registrar.

B. COACH ELIGIBILITY

Respect in Sports

Respect in Sports is a **mandatory program for all coaches in the Baseball Alberta 'AAA', 'AA' and 'A' Leagues**. The Respect in Sports program is designed to give coaches better tools in performing their duties while protecting players from potential liability issues involving harassment, abuse and bullying.

Baseball Alberta feels coaches will see the immediate value once they have completed the 6 (½ hour) modules. Upon completion of the program coaches can go back to any module and review the information from start to finish. This is a tool to assist coaches in becoming better coaches and communicators while protecting everyone's best interest in today's challenging world. **Registration and payment for Respect in Sports is done entirely online.**

'AAA' & 'AA' Teams – Coaching accreditation will be checked once initial rosters are submitted on **April 14th, 2017**. The Baseball Alberta Registrar will send a letter to all coaches not meeting the accreditation requirements advising them of a need to complete the Respect in Sports course. Respect in Sports requirements must be fulfilled before **June 1st** or that coach will NOT be allowed to be on the field and removed from Provincial Roster.

'A' Teams - Coaches accreditation will be checked once initial rosters are submitted on **June 12th, 2017**. The Baseball Alberta Registrar will send a letter to coaches not meeting the certification requirements advising them if the Respect in Sports online course is not completed by the Provincial Championship weekend then that coach will not be allowed on the field and removed from Provincial Roster.

Please note that Respect in Sport coaching module for other sports is equivalent to the requirement for baseball. However, the Respect in Sport parent module, such as the Hockey Alberta program, is NOT equivalent to the coaching module.

NATIONAL COACHING CERTIFICATION PROGRAM (NCCP) REQUIREMENTS

Coaches will be required to take the NCCP courses corresponding to the age group and level of play. Please see the Coaching Requirement chart at www.baseballalberta.com. Baseball Canada has also developed a coaching requirements table on their Coaches Corner (<http://www.baseball.ca>) where all coaches can find their specific requirements along with information regarding the Making Ethical Decisions Module (MED), how to check NCCP status and where to register for workshops.

Baseball Alberta accreditation meets the requirements to participate as a head or assistant coach at all levels of Baseball Canada and Western Canadian Baseball Association championships.

‘AAA’ & ‘AA’ Teams – Coaching accreditation will be checked once initial rosters are submitted on **April 14th, 2017**. The Baseball Alberta Registrar will send a letter to all coaches not meeting the accreditation requirements advising them of what NCCP workshops are required. Coaches are required to complete all classroom/on-field workshops before provincials in order to be added onto the Provincial roster. The Registrar will do another follow-up by **June 30th**. Coaches still needing accreditation will be sent a final warning and be advised of final workshop times Baseball Alberta is offering or where to find a required course online to meet requirements. NCCP requirements must be fulfilled before the Provincial Championship weekend or that coach will NOT be allowed to be on the field and removed from the Provincial Roster.

NOTE: Making Ethical Decisions (MED) Online Evaluation must be completed before June 1st. Coaches will need to go to <http://www.coach.ca/elearning-s13846> and complete the “Comp-Introduction MED”. Please Email MED results to registrar@baseballalberta.com Coaches not completing the MED by June 1st will be removed from their roster.

NOTE: ‘AA’ Tier 1 requirements have changed to meet the Western Canadian Baseball Association (WCBA) Championship coaching requirements. Head coaches will be required to have Regional Certified status and assistant coaches must be Regional Trained.

‘A’ Teams - Coaches accreditation will be checked once initial rosters are submitted on **June 12th, 2017**. The Baseball Alberta Registrar will send a letter to coaches not meeting the certification requirements advising them if the Initiation Online Module is not completed by the Provincial Championship weekend (July 20th) then that coach will not be allowed on the field.

House League Coaches – Coach accreditation will be administered by the local association. The deadline for completion is June 1st.

All coaches **MUST** be registered in the NCCP baseball system. Simply go to <http://nccp.baseball.ca/register.php> and register. New coaches will be required to pay \$37.45 to enter the system and receive access to the Online Initiation module. Once this module is completed they will have access to register in any scheduled NCCP baseball workshop in Alberta. Coaches who have already taken the Level 1 Technical in the old NCCP system may check the box stating that they have done so and the required fee will be waived.

ALL NON COMPLIANT COACHES WILL BE REMOVED FROM ROSTERS

C. INITIAL & FINAL ROSTERS

Mosquito - Midget categories shall be permitted to register up to 18 players. NorWest League (Midget ‘AAA’) teams may register up to 20 players.

Only players and coaches listed on an Approved Initial Roster (up to May 15th for ‘AAA’; up to May 29th for ‘AA’) or an Approved Final Roster may play in Provincial League games. Any player who has not submitted and/or been granted approval for transfer will not be approved and will be removed from the roster and ineligible for play. No roster additions may be made after the Final Roster submission date (except for a player moving into the area who must apply to the Registrar) so all transfers for new players must be in the Baseball Alberta Office no later than noon on the roster submission date. After the Final Roster submission date, the only roster changes allowed will be based on Replacement Players. Each subsequent roster change/replacement will be subject to a \$25 processing fee. Any player who quits their Provincial team will not be allowed to join any other Provincial Roster (as a Replacement Player or Pick-Up Player) or be allowed to participate as an affiliate player.

NEW FOR 2017 - ‘AAA’ and ‘AA’ coaches will be required to review their team roster submission and certify that all player addresses are accurate and comply with Baseball Alberta residency requirements.

Only rosters that are typed and emailed into the Baseball Alberta office will be accepted (preferably in Microsoft Excel). We will not be accepting faxed, mailed, scanned or hand delivered rosters.

The Approved Final Roster will be returned to the team by Noon on Friday, May 26th. All Coaches’ NCCP numbers must be provided by the Final Roster deadline. **Please note: NCCP#’s or CC# may take 6-8 weeks to be generated by the Coaching Association of Canada.**

‘A’ Rosters

Final rosters must be submitted by e-mail on the form provided to Baseball Alberta by 4pm on Monday, June 12, 2017. The Approved Final Roster will be returned to the team by Friday, June 23, 2017. Each team must submit NCCP numbers or proof of certification for at least one coach to the Baseball Alberta Office with the team Entry. Any team who provides neither proof of the required certification or fine will not be entered into the Community Provincial League schedule. **Please note: NCCP#’s or CC# may take 6-8 weeks to be generated by the Coaching Association of Canada.**

D. PLAYER TRANSFERS

‘AA’ & ‘AAA’

A player who lives outside the boundaries/city limits of the team he/she is wishing to play for must first register with the closest Baseball Alberta Association within their zone (**Home Association**) and pay the Baseball Alberta Player Registration fee (Competitive fee for ‘AAA’/‘AA’ or Community fee for ‘A’) through the Home Association. The Home Association may charge that player up to \$25 for administrative costs.

The player may then apply to transfer through the Transfer Request Application. The transfer request must be signed by both the President of the outgoing Association and the President of the receiving Association to indicate their approval or denial of such transfer.

The transfer form, required letter and \$25 fee must be delivered to Baseball Alberta (no faxed/e-mailed copies or forms without payment will be accepted) no later than Noon on the Initial/Final Roster submission date. Only players who have been approved transfer will be allowed onto an approved team roster.

Any transfer request that occurs after the Approved Final Roster is sent back to the teams (May 12th, 2017 for ‘AAA’ Teams; May 26th, 2017 for ‘AA’ Teams) will result in the transfer fee increasing to \$100.

Any transfer that is signed by both the outgoing and receiving President and delivered with required letter and \$25 processing fee will be deemed approved Baseball Alberta.

If the outgoing President denies (or refuses to sign) the Transfer Request, the player may still submit the transfer request with the required letter and \$25 processing fee. This will be considered an appeal and will be decided by the Registrar. If a player wishes to appeal past the Baseball Alberta Registrar, the Executive of Baseball Alberta will have final ruling on the matter.

There will be an additional charge of \$100.00 to any player wishing to appeal beyond the transfer decision made by the Baseball Alberta Registrar. Appeals will be brought forward to the Executive Committee upon receipt of payment.

If the player is transferring to a higher division of play (i.e. from ‘A’ to ‘AA’), the appeal will be approved in order to give the player a higher level opportunity for development.

If the incoming President denies (or refuses to sign) the Transfer Request, the player has no appeal and will not be granted transfer.

Baseball Alberta will not support lateral transfers ('AA' to 'AA') without support of the outgoing Association President unless transferring from a part-time program to a full-time program **or** unless a 'AA' team has not been formed/guaranteed at that point **or unless the player is transferring from an Association that has permitted players to transfer in or** unless extreme circumstances can be proven.

Regarding lateral transfers, Baseball Alberta will support lateral transfer requests where the outgoing Association has permitted players to transfer in, based on an assessment of their total number of registered players at the age category to ensure that they can maintain their program. The intent of this rule is to support the development of both strong 'AA' and 'AAA' programs in areas when player transfers to 'AAA' programs are occurring.

Two or more Associations can apply to Baseball Alberta to form a team from their respective associations, subject to approval of Baseball Alberta. These associations must be able to demonstrate, through the application process, that there is a necessity to work together to form a team at an age category.

These associations must fill out the Association Transfer Application and have signatures from all Presidents involved (the transfer fee of \$25.00 does not apply)

Deadlines for Association Transfer Application will be the same as the above deadlines for individual player transfers.

No player, coach, team, club, league, or association shall attempt to induce a player (minor categories) of any other club to leave that club or zone. Any person who attempts to induce a player of any club/zone shall be deemed to have committed an offence and subject to a penalty with such penalty being decided by the Baseball Alberta Board of Directors.

NEW FOR 2017 - Coaches who are found in violation of player residency or transfer rules will be suspended for the balance of the current season. Players who are found to be in violation of the residency rules will be ineligible for all League, Provincial, and post-Provincial play for the balance of the current season.

NEW FOR 2017 - Violations of the residency or player transfer rules may result in further sanctions at the discretion of the Executive of the Board of Directors of Baseball Alberta for the Association involved. These sanctions could include ineligibility of Association teams for Provincial and/or post-Provincial play, loss of funding for teams to attend post-Provincial Championships, and/or probation for one or more future seasons of Baseball Alberta League play.

Zone 3 and Zone 6 transfers only – Zone 3 and Zone 6, respectively, represent the two largest cities in Alberta. Player transfers out of these zones will be administered in accordance with guidelines established by the Baseball Alberta Board of Directors.

Transfer Players Registration and Payment Process

In order to facilitate the processing of Player Transfers Requests across the province and ensure clarity for players and Associations in dealing with these requests, the following outlines the steps of the process:

- All players **MUST** register with their Home Association prior to registering with any other Association. This includes players who have transferred in previous seasons and have now played a season or seasons with their current team.
- Upon registration, players **MUST** pay the full registration fee as requested by their Home Association. For players who have transferred in previous seasons, the Home Association may elect not to collect a registration fee.
- Players **MUST** communicate with their Home Association President or designate their intention to request a player transfer including identifying the Association that they wish to transfer to as part of the initial registration process.
- Players may obtain the necessary Association transfer signatures in any order. However, the Home Association President may require that the transferring Association President portion of the form be completed first in order to prevent "blank cheque" transfers.
- The completed Player Transfer Request Form(s) with the rationale letter must be sent to Baseball Alberta along with the required player transfer fee.
- Upon transfer, the Home Association **MUST** refund the registration fee charged to the player. Non-refundable fees identified at registration such as administration or try out fees are not included in this requirement.
- Upon transfer, players **MUST** contact the Association Registrar, register and pay the full registration fee to the Association that they are transferring to.

- Upon Transfer completion, the Association that the player has transferred to must register the player with Baseball Alberta and submit payment of the Baseball Alberta registration fee.
- Associations' submission of player registration fees must indicate those players that have transferred in and/or out of the Association in order to reconcile the total number of registered players.

Proof of Eligibility

Teams must submit their Approved Initial/Final Roster to the Official Scorekeeper with their game line-up card at least 15 minutes prior to scheduled game time. Only players who are listed on the Approved Roster will be allowed in the line-up (except for Approved Affiliate players – see Affiliate Player section). If a team cannot produce their approved roster, the game will still be played and a copy of the line-up card must be submitted with the Game Summary Report. If it is confirmed that an ineligible player was used, the opposing team will have the choice of either taking the game result or a forfeit win and the offending head coach will be subject to disciplinary action.

All approved players and coaches must be registered (and paid) with Baseball Alberta by June 1, 2016. Any player or coach who is unpaid as of June 14 may be suspended from play until payment is made in full.

E. AFFILIATE PLAYERS

NEW FOR 2017 - Only players playing in Baseball Alberta leagues (House League, 'A', 'AA' and 'AAA') are eligible for teams to use as affiliate players and be eligible to be picked up for Provincials/Westerns/Nationals

No Affiliate players will be permitted for use at the Provincial Championships.

If a team's roster falls to 10 players or lower for the Provincial Championships, that team may apply to Baseball Alberta to pick-up 1 player from an Association at Baseball Alberta's discretion. Teams must provide doctor's notes or other supporting information for the lack of players in order to activate this process.

The affiliate program is in place to provide coaches with an option to pick-up players from a lower category/division in the event of unforeseen circumstances where their roster would drop below the original size. Coaches have the option to bring their roster size up to its original roster size utilizing affiliates. For example, if a team's original roster size is 16 players and 3 players are injured and unable to play that coach can potentially affiliate 1 – 3 players. This is not in place to add depth to the team's current roster, but as an emergency backup plan. Coaches will still be required to provide information and reasoning for the player who is being replaced. **'AA' and 'AAA' teams may affiliate up to 7 players from a lower category/division of play. No affiliates will be allowed for the 'A' division.**

All affiliate players must be approved by Baseball Alberta prior to them being eligible to play.

Each **'AAA'** team may draw from their **'A'/'AA'** base (including lower age categories) or from **'A'/'AA'** and/or lower age categories within a 75 km radius. Each **'AA'** team may draw affiliates from their own Association house/'A' league or from any Association within 75 km who does not have a **'AA'** team at that age category. In the event that there are teams that do not have any Associations within the 75 km radius then that team may apply to Baseball Alberta for affiliate approval from outside of the 75 km radius. In order to affiliate a player, the coach must contact the player's team coach for contact information and then discuss the option with the player's parent(s) unless the player is 18 years of age.

Each team must submit the Affiliate Player Application (completed and signed by the affiliate's parent unless 18 years of age) along with a \$25 processing fee to Baseball Alberta at least 3 working days prior to first game to be played. Baseball Alberta will forward an updated Affiliate Player Tracking Sheet with the approved player's name on it.

In order to utilize an affiliate, the coach/team manager must contact the affiliate player's team coach to determine availability and to also discuss how the player will be utilized (coaches should come to agreement of innings/pitch counts to be pitched as those innings may affect the affiliate player's team). If the affiliate's team has a league (Provincial League or house league) game, that player will not be available. If that team has a tournament, the player will only be available if approved by both the coach and parent/player. If that team has a practice or exhibition game scheduled, the player will be deemed available. Any coach abusing this

process may be disciplined by Baseball Alberta. If deemed available after due process, the coach must then contact the player's parent(s) unless the player is 18 years of age.

The Affiliate Player Tracking Sheet must be provided to the Official Scorekeeper along with the line-up card. The official line-up card must identify the player with "AFF" beside the player's name. The Official Scorekeeper will fill in the date of the game played (regardless of whether that player ever plays an inning and once on the official line-up, that player will be charged with one game played) and return the Tracking Sheet to the team. The Official Scorekeeper will identify Affiliate Players on the Game Summary Sheet and Baseball Alberta will update each team's master Affiliate Tracking Sheet to be kept at Baseball Alberta.

Affiliate players may only sign with one team and may only play up to 5 games throughout the entire schedule. Once a player's five (5) games are complete, that player's eligibility for Affiliation will be denied for the remainder of the season. (The Registrar may only extend affiliate player's maximum number of games in the event that a team loses a player(s) to Team Alberta/Team Canada opportunities and has used up all available affiliate player games)

F. ROSTER REPLACEMENTS

In the event that a team loses a player for the long term, that team may apply to Baseball Alberta for a roster replacement, according to Roster Replacement Rules (below). All Roster Replacement applications will need to be delivered to the Baseball Alberta Office by 4 pm at least 4 business days prior to needing the player for a game and must include a \$25 processing fee and supporting documents (medical note, letter from family indicating they are moving from the area, etc.).

- Teams requesting replacements in Midget and lower categories must obtain the authorization of the Registrar, whenever a team's roster is reduced to fewer than 12 players (15 players for Midget 'AAA') because of injuries, death, or players having moved from the area. Replacement players may be added as required up to a 12 player maximum (15 player maximum for Midget 'AAA').
- The sole objective of allowing a team to replace injured or deceased players, or players having moved (from the area) under this rule, is to ensure that the remaining players on the team are not in the position of having to forfeit a game due to a shortage of players.
- A replacement player must be registered with Baseball Alberta in the current playing year as of June 1st, but cannot be from a higher division of play or be on any other provincial roster. A player on a suspended team shall remain eligible for replacement as per replacement guidelines.
- A player who has been placed on a disabled list must be supported by a medical certificate. Replacement players not dropped shall be considered part of the original roster.
- A player who has moved from the area and can no longer participate with the original team may be required to provide proof of residency.

- Checking the line-up card against the roster and Affiliate Player Tracking Sheet to ensure all players are eligible (Affiliate Players must show "AFF" marked by their name on the line-up card); once complete, return the team roster to each team manager or coach; if a player on the line-up card does not match a player on the roster or Affiliate Player Tracking Sheet, notify that coach of the issue – the coach will have the option to play that player and face the consequences of playing an ineligible player; fax a copy of the line-up card with the potential ineligible player noted so the Office staff can verify eligibility
- Updating the Affiliate Team Tracking Sheet and returning to the team manager/coach
- If the team cannot produce the roster or Affiliate Player Tracking Sheet, make the coaches aware that the game will be played under protest and that if the team in question has used an ineligible player, the opposing coach will be given the option of keeping the actual game result or taking a forfeit win; in this case, a copy of the line-up card must be copied and faxed in with the Game Summary Report
- Keeping score without prejudice or bias – official scorekeepers may not act as a team scorekeeper and must stay objective; the official scorekeeper may not alert either team (or the umpire) if a batter is batting out of order.
- Obtaining pitch count information from each team for games played during the previous week.
- When the use of a pitcher who is ineligible or about to become ineligible is evident, scorekeepers or other officials should notify the team manager or coach of the offending team so that an opportunity for assignment correction may be immediately affected.
- **Alerting the umpire if the pitcher returning to the mound is no longer eligible to pitch**
- Filling out all necessary information on the Game Summary Report in ink and ensuring that both coaches, the home plate umpire and the official scorekeeper sign the Game Summary Report to verify its accuracy; once signed, the game is official
- Updating each team's Weekly Pitching Report in ink (Mosquito, Pee Wee and Bantam only); return the sheet back to the team at the end of the game.
- The Official Scorekeeper may provide inning, # of outs, score and player changes to each team as requested.

B. PARTICIPATING TEAMS

All participating teams (including host) will be responsible for paying **the host site for one umpire game fee per game played** in the 2016 Baseball Alberta Provincial League. The non-host teams will pay the host site the required game fees **prior to their first game**. If games are rained out, the host site will either return the check (if no fees are required) or will issue a reimbursement for the games not played. Payment to umpires must be done prior to each game.

All participating teams (including host) will be responsible for **supplying 2 Protest Committee members** to sit on the Protest Committee for the games they are playing (the home and visiting teams will each supply 2 members on the Committee).

All participating teams **must provide their Approved Roster, Affiliate Player Tracking Sheet** (when utilizing Affiliate Players), **Weekly Pitching Report** (Mosquito/Pee Wee/Bantam/Midget) and **line-up card to the Official Scorekeeper at least 15 minutes prior to the game** and will be responsible for ensuring they receive those items back, once checked/completed, before leaving the host site.

All Mosquito, Pee Wee, Bantam and Midget teams must email or fax their weekly pitching reports into Baseball Alberta by Wednesday of the following week.

No team will need to produce approved Transfer Requests as all players listed on the Approved Initial/Final Roster will be approved by Baseball Alberta (transfers will be deemed approved).

Team rosters, duly authorized by the Registrar must be produced at all Baseball Alberta League Games/Provincial Championship. Any team entering the Baseball Alberta League without having all players, coaches, and managers properly registered will be subjected to disqualification from that game, and subject to fines or suspension.

LEAGUE FORMAT & SCHEDULING

A. RAIN OUTS & SCHEDULING

Teams must give Baseball Alberta at least 2 weeks' notice of tournaments, graduations or any other circumstance where their team is unavailable to play. If inadequate time is given (less than 2 weeks) to Baseball Alberta, then that team may be forced to take a forfeit loss.

Failure to complete league scheduled games could result in the suspension of the team for Provincial Championship play at the discretion of Baseball Alberta.

Games should only be cancelled for weather if the field is unplayable or it is unsafe to play due to the conditions. If games must be cancelled due to poor weather, the host team is responsible for notifying the umpire crew (if their phone numbers have been provided) or the Umpire Assignor (listed on www.baseballalberta.com).

Teams are responsible for making up games and must coordinate the date/time/place and forward to Baseball Alberta by 4 pm at least 4 days prior to the anticipated game. If the four days' notice is not possible, the Umpire Assignor will do their best to try to assign umpires. Baseball Alberta will then forward the request directly to the Zone Umpire Assignor who will confirm with the team if umpires are available.

Any games that are not made up by the end of the round will either be struck from the schedule (if there was no possible way to make that game up due to timing/weather) or result in a loss assigned for the team(s) unable or unwilling to replay the game. No team will receive a win for a game that was not played. Any team refusing to travel to play a game may be disciplined further through suspension.

Teams who meet in tournament play may elect to use that game for Provincial League results, but must agree before the game and must provide an Official Scorekeeper to fill out all the necessary game reports and sheets (must follow rules for pitching and use of affiliates/eligible players).

Any team/host site that must cancel a game (other than weather reasons) must provide notice by 4 pm at least **2 days** prior to the game or the team who is cancelling the game will be charged full umpire game fees for the game scheduled.

All rainout games and rescheduled games must be completed 5 days before the scheduled Provincial Championship weekend for each competition level.

B. ROUNDS OF PLAY

'AAA' Division

The Baseball Alberta Provincial 'AAA' Baseball League will be split into 3 rounds of play (May, June and July).

Pee Wee and Bantam

- **Round 1** – Developmental in approach with easing of rules so that teams may develop their players (see Rules Section)
- **Rounds 2 & 3** – Total Points (2 points per win; 1 point for tie (after tiebreaker procedures have been exhausted due to light and/or weather); 0 point per loss) from Rounds 2 and 3 games will determine final standings for Provincial Championships.

League play will continue through July; the number of teams in the Tier I Provincial Championship and the Tier II Provincial Championship is dependent on the amount of teams registered in that division/category

Midget

- **Rounds 1, 2 & 3** - Total Points (2 points per win; 1 point for tie (after tiebreaker procedures have been exhausted due to light and/or weather); 0 point per loss) from Rounds 1, 2 and 3 games will determine final standings for Provincial Championships. League play will continue through July; the number of teams in the Tier I Provincial Championship and the Tier II Provincial Championship is dependent on the amount of teams registered in that division/category.

'AA' Division

The Baseball Alberta Provincial 'AA' Baseball League will be split into 3 rounds of play (May, June and July) as per the following:

- **Round 1 (Midget)** – Regional seeding round; each region will play a round robin within their region to determine Division I and Division II (North/South) qualification for play in June; playing rules will allow teams to focus on development as well as competition.
- **Round 1 (Mosquito, Pee Wee, Bantam)** – Round is seen as developmental in approach with easing of rules so that teams may develop their players. **Regional seeding round; each region will play a double round robin within their region. This round will be used for coaches to determine their team's ability to play in either Division I or II for the following round. Baseball Alberta will still require game summary sheets to be emailed in and will aid Baseball Alberta on placement of teams for Round 2. Coaches input will also be taken into account when determining Division of play for Round 2.**

To officiate in League, Provincial or Western Canada Championships, an umpire must comply with all requirements outlined for the NUCP level of the umpire including attending clinics and successfully writing the appropriate exam.

Level four and level five umpires must attend a level four/five clinic and pass a written examination each year. In addition, level four and level five umpires must pass two field evaluations every year, and are personally responsible for arranging their evaluation with the Provincial Supervisor of Umpires.

All officiating at Baseball Alberta League, Provincial Championships and Western Canada Championships shall take priority over all leagues, tournaments, and/or other playoff games.

Baseball Alberta shall have the authority to suspend any umpire for misconduct or incompetence. Any suspensions may be appealed to the Executive Committee in writing within 30 days.

No umpire shall participate in any playoff game, series, or tournament in which the umpire may be in a conflict of interest. Any conflict of interest shall be reviewed by a committee of three, comprised of the Zone Director, Tournament Director, and Umpire Committee representative. Should it be necessary to replace an umpire due to conflict; that replacement shall be at the decision of the Umpire Committee representative.

A. UMPIRE SCHEDULING

Umpires for all Baseball Alberta Provincial League games will be assigned through the Provincial Umpire Committee. The Provincial Umpire Committee will be provided with all the schedules and will coordinate umpire assignments. The Provincial Umpire Committee will make every effort to allocate local umpires, as long as properly certified umpires are available. If out-of-town umpires are assigned, the host site will receive that information prior to hosting so they can be prepared to pay mileage and/or accommodation for the umpire(s). The host site is responsible for coordinating umpire accommodation, where necessary.

Any team/host site that must cancel a game (other than weather reasons) must provide notice by 4 pm at least **2 days** prior to the game or the team who is canceling will be charged full umpire game fees for the game scheduled.

D. GENERAL RULES FOR ALL DIVISIONS

- Failure to follow Baseball Alberta rules may result in a fine to be imposed with an amount determined based on the severity of the rules violation.
- Games must be played until one team wins (no ties)
- All games must be played and deemed complete in order to count the result (teams may not play one game for double points or flip a coin to determine winner)
- **League Play – Regulation/Suspended games as per Official Rules of Baseball**
- **Provincial Championship Play**
 - Mosquito: Games will be deemed complete if the home team is leading after 5 ½ innings **or** either team is leading after 6 complete innings **or** game is complete based on the Mercy Rule
 - Pee Wee, Bantam and Midget: Games will be deemed complete if the home team is leading after 6 ½ innings **or** either team is leading after 7 complete innings **or** game is complete based on the Mercy Rule
 - Games not complete (due to weather/darkness) must be suspended from the point of stoppage and then re-started from that point at the next possible time
- Forfeits will result in the following scores:
 - Mosquito: 6 – 0 score with winning team being awarded win, 15 offensive outs and 18 defensive outs
 - Pee Wee, Bantam and Midget: 7 – 0 score with winnings team being awarded win, 18 offensive outs and 21 defensive outs
- At the 'AA' Level, additional tiers beyond Tier IV may be utilized for Provincials if Baseball Alberta deems it necessary.
- Any game (except Midget 'AAA'/'AA') where less than 9 players are at the diamond within 15 minutes past the designated start of the game will result in 7-0 forfeit (unless determined to be a scheduling error or team has communicated an acceptable situation to the host/home team); if 7 or 8 players are present, the game will still be played as an exhibition (pitch counts will still count in daily/weekly total); the opposing coach will have the option to loan that team a player(s) to play the game but that player(s) may not pitch.
- A courtesy runner may be used for catchers when they are on base with 2 outs in an inning for all regular season league games except at Midget AAA. The courtesy runner rule is not permitted for use during any Provincial Championship.

Extra-Inning Game Procedure – Pee Wee to Midget Categories

If the game is tied at the completion of regulation (7 innings), the following procedures will be implemented during extra innings: Each team will begin the extra inning (and any subsequent necessary extra innings) with a base runner on first and second, no outs. (See example below to confirm who is on first and second)

The batting order of the extra inning or any subsequent innings will be determined by how the previous inning ended. (see example below to confirm who is at bat)

The traditional system of the visiting team hitting in the top of the inning and the home team hitting in the bottom of the inning will remain in effect until a winner is determined.

Example:

If the last regulation inning ends with the #6 hitter having the last plate appearance, then the extra inning begins with the #7 hitter at bat, and the #5 hitter at second base and the #6 hitter at first base.

With the exception of beginning the inning with runners on first and second base with no one out, all other League Rules and Baseball Canada rules will remain in effect during extra innings required to determine a winner.

***This rule will be applied to all Baseball Alberta League Games and the Round Robin portion of the Provincial Championships.**

Force Play Slide Rule

The intent of the force-play-slide rule is to ensure the safety of all players. This is a safety and an interference rule. Whether the defense could have completed the double play has no bearing on the applicability of this rule. This rule pertains to a force-play situation at any base, regardless of the number of outs.

- A. On any force play, the runner must slide on the ground before the base and in a direct line between the two bases.

Exception – A runner need not slide directly into a base as long as the runner slides or runs in a direction away from the fielder to avoid making contact or altering the play of the fielder. Interference shall not be called.

1. “On the ground” means either a head-first slide or a slide with one leg and buttock on the ground before the base.
 2. “Directly into a base” means the runner’s entire body (feet, legs, trunk and arms) must stay in a straight line between the bases.
- B. Contact with a fielder is legal and interference shall not be called if the runner makes a legal slide directly to the base and in the baseline extended (see diagram).

Approved Ruling – If contact occurs on top of the base as a result of a “pop-up” slide, this contact is legal.

- C. Actions by a runner are illegal and interference shall be called if:
1. The runner slides or runs out of the base line in the direction of the fielder and alters the play of a fielder (with or without contact);
 2. The runner uses a rolling or cross-body slide and either makes contact with or alters the play of a fielder;
 3. The runner’s raised leg makes contact higher than the fielder’s knee when in a standing position;
 4. The runner slashes or kicks the fielder with either leg; or
 5. The runner illegally slides toward or contacts the fielder even if the fielder makes no attempt to throw to complete a play.

PENALTY for 1-5

1. With less than two outs, the batter-runner, as well as the interfering runner, shall be declared out and no other runner(s) shall advance.
2. With two outs, the interfering runner shall be declared out and no other runner(s) shall advance.
3. If the runner’s slide or collision is flagrant, the runner shall be ejected from the contest.

Approved Ruling – If the bases are loaded with no outs, a double-play attempt is made, and interference is called, all other runners must return to their original bases.

Note: On a force play, with a two-man umpiring system, if the plate umpire does not have a potential play at the plate, he should move toward the base to observe the runner going into second or third base. In this situation, the base umpire must follow the throw and may not see the true effect of the lead runner’s action.

Extra-Hitter (EH) Rule

League Play:

Applicable in ALL rounds (where unlimited substitution is not applicable) up to but not including the Provincial Championships.

An Extra-Hitter (EH) may be placed on the lineup card (a 10th hitter in the batting order; can be placed anywhere in batting order) as a way to get more athletes at-bats throughout the game. This rule is optional for both teams prior to each game and DOES NOT have to be used by both teams during a game.

- A. This rule may be used in any Baseball Alberta League game that is not already hitting everyone on the lineup card.
- B. Each team has the option to use an extra hitter (EH) and bat ten (10) players. The EH must be marked on the line-up at the start of the game and must be used for the entire game.
- C. The EH may be interchanged with any other position during the game and can be changed multiple times (for example, the SS could become the EH and the EH become the SS).
- D. At the 15U (Bantam) AAA and 18U (Midget) level a team may elect to use an EH and a DH. These rules are completely separate.

Participation Rule

Divisions Affected:

Pee Wee AA, Pee Wee AAA, Bantam AA and Bantam AAA

Participation Rule – This rule will be applied during all rounds leading up to but not including Provincial Championships.

All players who are listed on the official lineup card will play a defensive position for 3 of his team's defensive outs and receive 1 plate appearance.

Exceptions:

- A. Starting pitchers will not be subjected to this rule.
 - B. In rounds where the Designated Hitter is allowed, a Designated Hitter is not required to play a defensive position during 3 of his team's defensive outs provided he receives 3 plate appearances through the course of the game.
 - C. When a team is scheduled to play 2 games in one day, the scheduled starting pitcher for the second game of the day is not subject to this participation rule during the first game. If this is the coach's intention, he should make note of that to the umpire and opposing coach prior to the first game.
 - D. Any Pee Wee pitcher who throws more than 64 pitches will not be subjected to this participation rule during a second game on the same day.
 - E. Any Bantam pitcher who throws more than 74 pitches will not be subjected to this participation rule during the second game on the same day.
- It is understood that circumstances will sometimes inhibit coaches from being able to adhere to this rule, eg. 10 run mercy rule shortened games, rain shortened games.
 - Score sheets will not be submitted to Baseball Alberta to determine coaches' adherence to this participation rule. Baseball Alberta will rely on the professionalism and ethics of its coaches to adhere to this rule. Baseball Alberta encourages opposition coaches as well as outside observers to report cases of non-compliance.
 - Any coach or team who is found to have deliberately failed to comply with this rule will be subject to sanctions according to Baseball Alberta's Discipline Policy.

Baseball Canada rules apply for the Pee Wee and Bantam division (**limited substitution/re-entry rule**, please see examples on page 26) **including a pitcher may not return to the mound if removed from the mound or the game** except for the following:

- Mercy Rule is in effect (10 run differential when the losing team has completed their 5th offensive inning/at bat)
- In the event a player is ejected/injured and no substitute is available, the last player substituted for may re-enter the game and thus, there will be no forfeit (unless the injury/ejection leaves the team with only 8 players remaining)
- **Fair Play Rule (ROUND 3 ONLY)** – All players listed on the official lineup card will play a defensive position for 3 of his/her team's defensive outs and receive 1 plate appearance (see pg. 2 for further details).

I. MIDGET 'AA'

Rounds 1 and 2 for All; Round 3 and Provincial Championships for Tiers II, III and IV

Baseball Canada rules (including DH) except for:

- **Limited Substitution (Re-Entry) Rule** including ability to re-enter last player substituted for in case of injury/ejection when no substitutes are still available; a pitcher who leaves the mound or the game may not pitch again in that game or catch in the same game (Please see Limited Substitution examples on page 26)
- **If both coaches agree in Rounds 1 and 2, teams may play utilizing the Unlimited Substitution Rule to enhance player development** (all players bat and free defensive movement in/out except that once a pitcher leaves the mound defensively, that pitcher may not pitch again in that game)
- **Mercy Rule** in Effect (10 run differential when the losing team has completed their 5th offensive inning/at bat)

- Designated Hitter/Limited Re-entry - Regarding the use of the Designated Hitter with limited re-entry rules, the termination of the Designated Hitter in the game also eliminates the re-entry for the starting Designated Hitter.

Tier I – Round 3 and Provincial Championship

Baseball Canada Official Rules of Baseball except for:

- **Mercy Rule** in Effect (10 run differential when the losing team has completed their 5th offensive inning/at bat)
- Any game where less than 9 players are at the diamond within 15 minutes past the designated start of the game will result in 7-0 forfeit (unless determined to be a scheduling error or team has communicated an acceptable situation to the host/home team); if 7 or 8 players are present (except for Provincial Championship weekend), the game will still be played (pitch counts will still count in daily/weekly total); the opposing coach will have the option to loan that team a player(s) to play the game but that player(s) may not pitch.

J. ALL 'A' DIVISIONS

Baseball Canada rules except where identified for the following:

- **Unlimited Substitution** – every player present will be placed on the line-up card in the batting order and will all bat in order; players are allowed to move in/out defensively without restrictions except that if the pitcher leaves the mound to play another defensive position, that pitcher may not return to the mound (see fair play rule below); any player who becomes injured or must leave the game will be skipped in the batting line-up with no penalty
- **All players who are present for a game and in uniform** (unless injured and unable to play or suspended for that game by the league or team) **must be listed on the batting order/line-up card – any coach who sits a player to gain a competitive advantage will be subject to discipline by Baseball Alberta**
- **FAIR PLAY RULE—A player may not sit more than 2 consecutive defensive innings (one pitch constitutes an inning sat)**
- Mercy Rule is in effect (10 run differential when the losing team has completed their 4th offensive inning/at bat for Mosquito or their 5th offensive inning/at bat for Pee Wee/Bantam).
- **Maximum 5 Run/Half Inning Rule.** For Pee Wee and Mosquito 'A' once the 5th run of a half inning is scored the inning automatically stops no matter how many outs there are and that half inning is over.
- **No new inning to start after 2 ½ hours of play, unless game is tied (Pee Wee and Mosquito 'A' only).**

Limited Substitution Examples:

1. Player A starts the game in right field and batting 3rd in the batting order. In the 4th inning, Player B replaces Player A in right field and is now hitting 3rd in the batting order. In the 2nd inning, Player B replaces Player A in the batting order but is playing right field; Player C is now at shortstop. Player B is no longer eligible to return to the game.

Player A remains at 9th in the batting order and Player B is no longer eligible to return to the game.

K. PITCH COUNTS & VIOLATION POLICIES

Definitions and Terms Specific to Pitch Count Policy and pitching rules for the 2016 Season:

1. Any player on the team is eligible to pitch, and there are no restrictions to the number of pitchers a manager may use in a game.
2. Pitchers shall be permitted to have 2 appearances in the same calendar day. If a pitcher requires a rest following 1st appearance, they cannot return in the same calendar day (see examples below).

3. Pitcher cannot pitch 3 consecutive days unless a pitcher's first 2 days combined does not exceed:
 - A. Mosquito – 20 league/25 provincials
 - B. Pee Wee – 25 league/30 provincials
 - C. Bantam Boys/Girls – 30 league/35 provincials
 - D. Midget – 30 league/40 provincials

If a pitcher's Day 1 + Day 2 exceed the figure above for their division, they require rest as defined in the pitch count chart. Pitcher's cannot pitch 4 consecutive days. (See examples below)

4. A pitcher who has pitched on 2 consecutive days and whose total exceeds the low category maximum allowance will not be able to pitch again on the second day.
5. Pitchers and managers shall follow the following guidelines for the Baseball Alberta Provincial League:

Provincial League Play Pitch Counts

	Mosquito	Pee Wee	Bantam	Midget	Rest Required
Low	1 – 20	1 – 25	1 – 30	1 – 30	None
Medium Low	21 – 30	26 – 35	31 – 40	31 – 44	1 day
Medium	31 – 44	36 – 54	41 – 59	45 – 64	2 days
Medium High	45 – 54	55 – 64	60 – 74	65 – 79	3 days
High	55 – 70	65 – 80	75 – 90	80 – 100	4 days
Maximum	70	80	90	100	

6. The official scorekeeper will calculate the total pitches thrown for that calendar day and determine the required rest starting the next calendar day. Athletes must not exceed the maximum pitch count total for that day.
7. Once a player assumes the position of pitcher, they cannot catch for the remainder of the day (see example below).
8. Pitchers will be permitted to finish the batter if his or her maximum pitch limit has been reached for that calendar day.
9. Intentional Walks will be included in Pitch Count totals.
10. Required Rest shall be defined in "Days" starting at 12:01am and ending at 11:59pm of the next calendar day.
11. If a game continues past 12:01am, those pitches are counted as if the pitched prior to midnight. If a game is suspended, when it resumes it is defined as a different day.
12. A pitcher who is removed from the mound during a game shall not be permitted to return to pitch in the same game, even if pitcher is retained in the game at another position.

Baseball Alberta Specific Rules

13. The scorekeeper will inform the umpire of the pitch count when a count is nearing the end of a pitcher's daily limits. The umpire will then notify the team manager or coach of the offending team so that an opportunity for assignment correction may be immediately affected.
14. The Official League Regular Season final weekend will be defined as the weekend prior to the scheduled Provincial Championship at each competition level.
15. No Breaking Balls shall be permitted at the **Mosquito** and **Pee Wee** divisions – if a coach feels that the opposing team's pitchers are throwing breaking balls the umpire will be notified and if deemed necessary a note will be placed in the game report. The Baseball Alberta office will investigate and follow the same procedure used for pitch count violations.
 - A. A Breaking Ball shall be defined as any pitch where the hand is pronated, supinated, turned or snapped in a fashion where the baseball rotates in a side to side, forward spinning or with unnatural action that is not consistent with the pitchers natural fastball rotation.
16. Change-Ups and off speed pitches where the baseball rotates in a similar fashion to a fastball will be permitted at all levels and should be observed by the umpire prior to an appearance during warm-up.

Pitcher Warm-Up Rule can be utilized by all divisions (only during limited substitution) – A position player that is scheduled to pitch may exit the game to warm-up and re-enter with the intent of throwing the first pitch of the next defensive inning. The substitute player will not lose eligibility unless the pitcher does not begin the inning following the warm-up period and will then be considered active. The pitcher would then lose playing eligibility in the game. The substitute player must not have previously been in the game.

Pitch Count Examples

Two appearances in the same day

Example 1:

Game 1: In a Bantam game, John throws 29 pitches which is in the LOW category allowing him to pitch again in the same day.

Game 2: John may pitch in Game 2 of on the same day, but may not start a new batter after 61 pitches are thrown in this game taking his total to the maximum allowed 90 pitches for one day. Now, John must rest the required 4 days as defined by the rule.

Example 2:

Game 1: In a Bantam game, John records 31 pitches in the first game Saturday morning which is in the MEDIUM LOW category. Therefore, he is required to take one day of rest beginning at midnight Saturday and he is unavailable to pitch Sunday.

Any pitcher exceeding the maximum number of pitches in the LOW category will not be able to pitch in a second game that day and must rest for the number of days required for the category of pitches thrown.

Pitching three days in a row

Example 1:

Day 1: In a Pee Wee game, Bill throws 12 pitches and does not record any more pitches on day 1

Day 2: Bill throws 12 pitches for a total of 24 pitches in two consecutive days which is under the LOW category maximum allowance

Day 3: Bill may now throw a third consecutive day and up to the maximum pitches allow for one day. In the Pee Wee category Bill could throw a maximum of 80 pitches on the third day.

Example 2:

Day 1: In a Pee Wee game, Bill throws 12 pitches and does not record any more pitches on day 1

Day 2: Bill throws 14 pitches for a total of 26 pitches in two consecutive days which is above the LOW category maximum allowance.

Bill will now be required to take one (1) day rest as defined in the pitch count chart.

Pitching and catching in the same day

Example 1:

John starts the game a shortstop and then enters the game as a pitcher in the 4th inning. He cannot move to the catching position for that game or any other game later in the day.

Example 2:

John starts the game at catcher and then enters the game as a pitcher in the 4th inning. He cannot move back to catching for the remainder of that game or any other game later in the day.

These pitch totals begin the Monday of the Provincial Championships

Pitch Count Violation Policies

Head Coaches or Team Managers will be responsible for adhering to the Pitch Count policy. If an infraction occurs, then the following will occur as a result of non-compliance. The policies will be inclusive of one calendar season.

- **1st Infraction** – A written warning will be issued to Head Coach or Team Manager
- **2nd Infraction** – A 1 game suspension will be issued to the Head Coach or Team Manager
- **3rd Infraction** – A 3 game suspension will be issued to the Head Coach or Team Manager

- **4th Infraction** – A minimum 5 game suspension and “Prohibited Indefinitely Status” will be issued to the Head Coach or Team Manager

The violation of any pitching rules may result in forfeiture of game in which the violation occurred. When the use of a pitcher who is ineligible or about to become ineligible is evident, scorekeepers or other officials **MUST** notify the team manager or coach of the offending team so that an opportunity for assignment correction may be immediately affected.

Baseball Alberta will have the option to increase suspension time based on the violation and the coach must be reinstated with written approval from Baseball Alberta. A subsequent fine may also be incurred along with follow up re-certification.

Pitch Count Hearing Policy – At any point in the process a suspended or fined manager or coach may request a hearing involving Baseball Alberta; a \$100.00 cost will be incurred

Appeal Policy – At any point in the process a suspended or fined manager or coach may appeal a decision. A \$200.00 cost will be incurred if the decision is upheld.

Provincial Championship Pitch Count Violation Procedure

Scorekeepers and coaches must identify any potential infraction before that infraction occurs. No protest will be heard after the fact.

Any infraction that is identified after it occurs will result in the removal of the player from the pitching position and no protest or forfeiture will occur.

Posting/Updating of Pitch Count totals (Poster Boards) should be displayed at all diamonds being used during Provincial Championship tournament.

L. PROTESTS

The Home and Visiting Team must each assign 2 Protest Committee members to decide on protests in Provincial League games. In order for a protest to be lodged, the protesting team must notify the umpire of the request to protest the decision/call before the next pitch, play, or attempted play. If the umpire agrees the protest is legal, the protesting team must provide \$100 in cash to the Official Scorekeeper to officially launch the protest. The Protest Committee (4 members) will then be summoned and will hear the protest. The Committee will remove themselves from the area of play to discuss the protest and make a decision (through a majority vote) utilizing the rules of play for Baseball Canada/Baseball Alberta.

If the Committee cannot reach a majority vote on the protest, the Official Scorekeeper will then put all 4 names and their vote on separate pieces of paper and place in a hat, drawing out 3 names. The majority of the votes will then be decided by those 3 names drawn and will be accepted as the Protest Committee decision.

If the protest is upheld (protesting team wins the protest), the protesting team will be given their \$100 cash back and the game will resume from the point of stoppage with the new decision taking effect.

If the protest is not upheld (protesting team loses the protest), the \$100 will be sent into Baseball Alberta with a copy of the protest report and the game will resume from the point of the stoppage.

The Protest Committee must then ensure that the Protest Report is completed and left with the Official Scorekeeper (to be sent in by the Hosting Coordinator with the Game Summary Report to Baseball Alberta).

Protest Committee members should be objective individuals with good knowledge of the game of baseball.

PROTESTS – Provincial Championships

- The host site shall appoint at least two members to the Protest Committee. The Tournament Director and two members shall deal with all protests and disputes arising in a playoff and their ruling shall be final and binding.
- The Umpire and the Tournament Director in attendance shall be notified, at the time of alleged infraction, that a protest is being lodged.
- A decision based on an umpire’s judgment shall offer no basis for protest.

- In reaching its decision on any legitimate protest, the Protest Committee shall meet immediately with the game umpires and the team managers involved in the dispute, with the game remaining in a state of suspension until a decision is made.
- No protest shall be considered by this committee unless the prescribed fee of \$100 has been paid in cash. This fee shall be returned if the protest is upheld.
- Any member of the Board of Directors involved in a protest shall be disqualified from voting on the protest.

PROVINCIAL CHAMPIONSHIPS

A. CHAMPIONSHIP FORMAT

Baseball Alberta will cover all umpire travel and accommodation expenses for all Provincial Championships. All teams (including host) at Provincial Championships will be responsible for paying for half of the umpire game fees in games which they participate in. If a 3 man umpire system is used, then each team will be responsible for 1 ½ umpire game fees per game played.

For the Pee Wee and Bantam 'AAA' Divisions the top 4, 5, 6 or 8 teams (dependent on number of teams registered) will compete at the Provincial Championship. The Midget 'AAA' Provincial Championship will be determined by the number of teams registered. The number of teams in the Tier I Provincial Championship and the Tier II Provincial Championship is dependent on the amount of teams registered in that division/category; see League Objectives. The 'AAA' Provincial Championships will be held August 4th – 6th for Pee Wee, Bantam. Midget 'AAA' Provincial Championships will be held August 6th – 8th.

For the 'AA' Divisions, depending on the number of teams in each tier Provincial Championships will consist of 4, 5, 6, or 8 teams. 'AA' Provincials will be played on the following weekends;

- **July 28th – 30th, 2017** – Mosquito, Pee Wee, Bantam, Midget AA Tier III, IV, V
- **August 4th – 6th, 2017** – Mosquito, Pee Wee, Bantam, Midget 'AA' Tier I/II

For the 'A' Divisions, the top team(s) from each region of play plus the designated host will play in the 'A' Provincial Championship to be held July 21 – 23, 2017.

Any team that fails to appear at any Baseball Alberta Provincial tournament game will be removed from the tournament, forfeit all games (even games already completed). Baseball Alberta reserves the right to enforce this decision based on the circumstances surrounding the reasons for missing the game.

Any team that fails to be present at the Opening Ceremonies at any Provincial Championship without approval from the Host Committee and Baseball Alberta may be subject to additional discipline upon review by Baseball Alberta.

Four-team Championships will be a round robin with top 2 teams playing in the final. *If the first place team is undefeated after the round robin portion of the Championship, that team must be beaten twice ('AAA' only).*

Five-team Championship draws will be a Round Robin format, schedule will be based on distances from host site. Each team is guaranteed 4 games; the top two teams after Round Robin will compete in the Championship game if there are no tiebreakers. If the first place team is undefeated after the round robin portion of the Championship, that team must be beaten twice ('AAA' only).

Six-team Championship draws will utilize two pools based on final rankings with a round robin in each pool and cross-over semi-finals. Winners of the semi-finals will play in the Provincial Championship game. Each team will be guaranteed 3 games in the Provincial Championship weekends (3rd place teams in the six-team Championships will play a consolation game unless both teams are involved in a tiebreaker game). Monday will be utilized in case of poor weather.

Eight-team Championship draws require two diamonds. There will be two pools based on final rankings (Pool A – 1st, 4th, 5th and 8th seeds; Pool B – 2nd, 3rd, 6th and 7th seeds). After Round Robin play within each pool, the semi-finals will consist of the 1st place team out of Pool A will play the 2nd place team out of Pool B while the second place team out of pool A will play 1st place team in Pool B. Winners of the semi-final compete in the Championship game.

Championship tournaments of more than 8 teams will require 2 diamonds and will be seeded and scheduled by Baseball Alberta using National Championship guidelines

If a host center wishes to change the provincial championship draw for any reason (opening ceremonies, etc), request must be submitted in writing to the Baseball Alberta office before July 15th.

Admission Fees for Provincial Championships – No admission fees are permitted without written permission from Baseball Alberta.

Best Practice – Provincial Championship Umpire Payments

Host site should collect all Round Robin umpire game fees from each team at the pre-tournament meeting. All teams should pay the exact same amount for umpire game fees for the Round Robin portion of the tournament. Below is an example of the best practice for host sites to collect the correct payment from each team for a 5 team Provincial Championship at the Pee Wee level;

There are a total of 10 round robin games in a 5 team Provincial Championship, 3 of which have game times that start before 6pm on a weekday which must include the \$15/umpire premium.

3 Round Robin games that begin before 6pm on weekday - \$55/umpire x 2 umpires x 3 games = \$330.00

7 Round Robin games at the regular umpire rate of \$40/umpire - \$40/umpire x 2 umpires x 7 games = \$560.00

Total Umpire game fees for the Round Robin is \$890.00, divide the total round robin game fees by the 5 participating teams. In this particular tournament each team would pay the host site \$178.00 to cover each team's Round Robin games.

Teams that move onto tiebreaker games, semi-finals and the championship would then need to pay for one umpire game fee for every game they participate in after the Round Robin portion of the schedule is complete.

*All umpire travel and accommodations for Provincial Championships is covered by Baseball Alberta.

Any players who accept and are not drafted to the 'AAA' Provincial Championship may practice with the team at any point starting the Monday after the Provincial Championship.

If a player is recruited to join the WCBA AA team as a pick-up player and then is also offered the opportunity to compete at the WCBA AAA or Baseball Canada National Championship, that player will have the choice to participate in both the WCBA AA Championship and one of the AAA Championships or may choose to participate in only one Championship. If that player chooses the AAA Championship opportunity only, then the WCBA AA Championship team will have the ability to replace that player. If the player chooses both opportunities, that player may not join the AAA team until after the WCBA AA Championship is complete (except at the discretion of the coach).

Baseball Alberta – The Early Years

Baseball Alberta is celebrating its 50th Anniversary in 2017. As the governing body for baseball in the province, Baseball Alberta has helped many youth players create lasting memories of their experiences with our great sport over these past 50 seasons

Anniversaries offer us the opportunity to reflect on where we have been and where we are going. There was so much more happening inside Baseball Alberta in that very first year that merely incorporating as a not-for-profit organization under the *Societies Act* of Alberta. 1967 represented a low point for baseball in Alberta with team registrations of only 129 teams after slowly declining over the previous years. The Alberta Baseball Association or ABA, the actual legal name of Baseball Alberta even today, was a much smaller organization than it is today. The purpose of the ABA then was to organize year end tournaments that determined the Alberta representatives at the various Western Canada Championships. The original members of the ABA were the Peace River Baseball Association, the Northern Alberta Baseball Association, the Central Alberta Baseball Association, the Southern Alberta Baseball

Baseball Alberta "Little Canadian" Division – July 1968

Association, and the Alberta Baseball Umpires Association. Each of these members, as well as many other independent groups throughout the province, were completely autonomous and organized leagues of teams that played each other through the summer months and, in the case of the Umpires Association, provided officials to umpire these various games as well as the Provincial and Western Canada Championships. These leagues often played baseball with different rules and with different age categories from each other. One can imagine the chaos and conflict this created, as various members worked to establish their age categories and rules and convince the ABA to adopt them for Championship play. There was even some concern about the future of the ABA as the organizer of baseball in the province.

The largest member of the ABA was the Northern Alberta Baseball Association which affiliated 73 teams in Edmonton and the surrounding area in 1967. In the fall of 1968, their President, Ron Hayter, stepped down after two years of service and entered and won the election for the position of President of the Alberta Baseball Association. Mr. Hayter started the ABA on a period of great growth in the sport and implemented changes that would ensure that baseball in Alberta would prosper across the province.

Starting in 1969, new President Ron Hayter took over an organization that was more than \$600 in debt and set to work to remake the ABA into the one governing and representative organization for baseball everywhere in the province. The philosophy that he communicated was "Strength and Growth through Involvement and

Participation". In 1969, the ABA assimilated the founding members into one organization, eliminating autonomy for these groups, creating a single Association working toward one common goal of growing amateur baseball across the province. Additional organizations would join over the next three years such as the Edmonton Federation of Community Leagues, the Calgary Boys Baseball Association, and the Oilfield Minor Baseball Association. There were many others that joined over the next several years. Mr. Hayter also worked with a Board of Directors of people that were as passionate as he was to make the ABA the best organization it could be at providing a great baseball experience for all participants. These names of many of these tireless volunteers can be found in the list of Baseball Alberta's Life Members and named awards. George Behm of St. Paul and later Edmonton was known as "the grand old man of baseball" and was an original founder of the ABA in 1951 as it was before incorporation. He was involved in organizing all levels of baseball for over 50 years, was the longest serving Commissioner of Alberta Baseball in the history of the ABA, and was inducted as a Life Member in 1973. Ted Rudd of Lethbridge, for whom our Minor Coach Award is named, was inducted as a Life Member in 1974 for his leadership in all aspects of coaching. Doris Taylor of Sherwood Park and later Pincher Creek, for whom a Baseball Alberta scholarship is named, was a long time volunteer Registrar of the ABA and inducted as a Life Member in 1979. Fred Skakum of Westlock and later Edmonton, the then President of the Alberta Baseball Umpires Association and long time organizer of umpiring in Alberta, was inducted as a Life Member in 1976.

Ron Hayter

The ABA Board of Directors stabilized the financial state of the ABA by bringing a special assessment fee of one dollar (\$1.00) per player. This special assessment applied to new players affiliating with the ABA and did not apply to existing players who had affiliated in previous seasons. In the words of Mr. Hayter, this was an admittedly unpopular move, but "was the only way to give the association fiscal stability" and "that the hand-to-mouth existence of the organization had to end" in order to allow the ABA to grow the game. The Board also started an annual Grey Cup Draw as a fundraiser, producing \$1,700 in revenue, and implemented increases to the team entry fees for the ABA playoffs and Provincial Championships.

With the changes implemented in 1969, the ABA operated on a budget of \$12,000 which included provincial government funding of \$1,800. One of the key items that was funded from the budget was a 25% travel subsidy to all teams traveling to represent Alberta at the Western Canada Championships. In 1971, a voluntary insurance plan was developed and offered to players at an additional cost ranging from 40 cents for batboys to one dollar for Senior

players. The first ABA player insurance plan was administered by John Ducey, a long time baseball umpire and organizer and for whom Edmonton's first professional baseball park was named.

Baseball Alberta thrived under Ron Hayter's leadership. The ABA grew from 184 affiliated teams in all categories in 1969 to 539 affiliated teams in 1971, representing well over 8000 players at all age categories. Mr. Hayter stepped down as President of the organization in 1971 after being elected to serve as an Alderman on Edmonton City Council. However, he remained active on the Board of Directors as Alberta's representative to Baseball Canada, then known as the Canadian Federation of Amateur Baseball or CFAB until 1986.

Ron Hayter's involvement with the CFAB provided further support to the development of baseball in Alberta and across the country. Mr. Hayter was elected a Vice-President of the CFAB in 1970 and served in this capacity and later as a Director of the Board of Baseball Canada until 1986. In 1971, the CFAB achieved a national consensus and created the national age categories of Beaver (the precursor to the Mosquito category of today), to be implemented in 1972; Midget, to be implemented in 1973; Bantam, to be implemented in 1974; and Bison (the precursor to the Pee wee category of today), to be implemented in 1975. Ron Hayter was also a member of the CFAB rules committee and helped establish the standardized framework for the rules that we have today including different diamond dimensions for different age categories, creating pitching rules to limit the number of innings individual youth players could pitch in a tournament, and introducing limited substitution to get more players involved in each game.

Baseball Canada Logo – c1967

In the early 1970s, the Senior and Junior categories were the primary focus of the National Championships with the championships for youth age categories being held on a regional basis such as the Western Canada Championships. The logical extension of the creation of the new age categories for baseball by the CFAB was the development of National Championship events for each age category. The first ever Canadian National Beaver Championship was hosted in Peace River, Alberta on the 1972 Labour Day long weekend. The Sydney Stars from Nova Scotia beat Saskatchewan's Saskatoon Senators in the final after a great tournament featuring Medicine Hat representing Alberta, Delta representing British Columbia and host Peace River as the other participants. The first ever Canadian National Midget Baseball Championship was hosted in Barrhead, Alberta on the 1973 Labour Day long weekend and featured seven teams in total with representation from British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, and New Brunswick as well the host Barrhead Blazers. The tournament was won by the Melville Elks from Saskatchewan, managed by Frank Puhl. Frank's son, Terry Puhl, was a leader on the team on went on to a successful Major League career with the Houston Astros.

The hosting of these tournaments were proud moments in the history of Baseball Alberta and symbolized the great progress the ABA had made in just five short years at growing the sport across Alberta. Mr. Hayter was inducted as a Life Member of Baseball Alberta in 1988. Ron Hayter went on to found the Edmonton International Baseball Foundation (EIBF) in 1979. This foundation organized eight international competitions in Edmonton, including the first IBAF World Cup of Women's Baseball in 2004, as well as provided tens of thousands of dollars in post-secondary bursaries to Baseball Alberta players across the province. Mr. Hayter was inducted in the Alberta Sports Hall of Fame in 1978 and the Canadian Baseball Hall of Fame in 2006.

Baseball Alberta has built on a great foundation in the years that followed the spectacular growth of the 1970s. Don Paulencu, the longest serving President in the history of the organization, has just stepped into the role of Past-President in 2016 after eight years of service as President. Under his leadership throughout the 2010s, Baseball Alberta has again experienced strong growth and financial stability and continues to further advance its mission of “providing life and leadership skills for all genders through the sport of baseball”. Today, Baseball Alberta is proud of its 106 Member Associations and the nearly 16,000 athletes playing baseball today through participation in its various AAA, AA, and A Leagues as well as the many House Leagues in communities across the province. The future is very bright for baseball in our province and Baseball Alberta will continue to serve as the organization leading the way in the development of players, coaches, and umpires to bring Alberta another 50 years of great baseball and great baseball memories.

Grand Slam incentives are stickers depicting famous Canadian baseball players and are awarded for successfully completing categories.

MY FIRST PITCH - AGES 10 & 11

My First Pitch is the official introduction to Baseball Canada's pitching program. The program is designed for baseball players ages 10 and 11 and aims to increase interest in baseball. My First Pitch introduces topics such as grips, pitching mechanics and proper throwing techniques while demonstrating multiple drills to identify and correct major pitching flaws.
