2. Organizational Rules - General

- 1 Baseball Regina and all Leagues shall be governed by the Baseball Saskatchewan Association (SBA) and Baseball Canada rules and regulations unless otherwise provided.
- 2 The fees will be assessed by the Board of Directors after the Treasurer has prepared a budget for the upcoming season.
- 3 Players may only register for one team.
- 4 Only players registered with Baseball Regina may participate in evaluations, tryouts, practices, and scheduled league, tournament or exhibition games.
- 5 Team rosters in all Divisions must carry a minimum of 12 and a maximum of 16 players for the season unless prior permission has been received from their BASEBALL REGINA Division Director to carry fewer or greater than this number. **The final number will be decided at the draft table by the Division Director.** The only exception to this rule shall be the Rally Cap Division (Junior and Senior) which may have teams of less than 12 players as determined by the Division Director.
- 6 A final roster must be established by Baseball Saskatchewan registration day. Prior to this date a player may be added or deleted.
- 7 The Baseball Regina Board of Directors will determine each year the process to be used to conduct evaluations and to establish the number of teams at the AAA, AA and A level based on player registrations in each given year.
- 8 Players registering with BASEBALL REGINA may be required to produce a birth certificate and/or proof of address which would accompany the registration form. After the SBA registration day, only those players properly registered with BASEBALL REGINA and the SBA may participate in BASEBALL REGINA scheduled games and BASEBALL REGINA sanctioned tournament games.
- 9 A player's team shall be determined in the following manner:
 - 9.1 In Rally Cap Divisions, zones will be determined each year prior to team selection process according to the floating zone methodology, friend request and school attendance (balanced numbers). Mosquito AAA, Mosquito AA, Pee Wee AAA, Pee Wee AA, Bantam AAA, Bantam AA and **Bantam A**, and Midget teams will be drafted. Team selection for the remaining players will then have zones determined each year according to the floating zone methodology.
 - 9.2 The Baseball Regina Board of Directors will determine each year the process to be used to conduct the Mosquito AAA, Mosquito AA, Pee Wee AAA, Pee Wee AA, Bantam AAA, Bantam AA, **Bantam A** and Midget drafts.

- 9.3 The following applies to special requests for team placements:
- 9.3.1 Requests to play with a specific player will only be considered in Rally Cap or **the mosquito and pee wee "A" divisions**.
 - 9.3.2 The Baseball Regina Board shall make all decisions on specials requests.
 - 9.3.3 The decisions of the Baseball Regina Board with respect to special requests are final.
 - 9.3.4 Allowable special requests are only valid for one season. Players must reapply each year.
- 9.4 The following applies to out of zone players (i.e. players living outside the city limits of Regina – which constitutes the Zone 2 boundary) wishing to play on Baseball Regina teams:
- 9.4.1 The process for obtaining approval to play in Regina is as follows:
 - 9.4.1.1 the player must first request and obtain a written release from the SBA through the SBA Zone Governor **where the player resides and to Baseball Saskatchewan** for the Zone in which they reside;
 - 9.4.1.2 the player must then forward a copy of the release to the **Zone Two Governor and to Baseball Saskatchewan** along with confirmation of their age, permanent address and reason for requesting to play in Regina; and
 - 9.4.1.3 all releases should be forwarded to the **Zone Two Governor and Baseball Saskatchewan** by February 15 for Midget and March 1st for all other divisions of each year.
 - 9.4.2 Upon receipt of the release, the Baseball Regina Board will confirm placement.
 - 9.4.3 The Board will consider the following factors when determining the placement of out of town players:
 - 9.4.3.1 **If the player doesn't have a comparable team to play in the home zone.**
 - 9.4.3.2 The out of town player's geographic proximity to practice and playing locations.
 - 9.4.4 Placements of out of zone players on Baseball Regina teams are only valid for one (1) season. Players must reapply each year.
- 9.5 The eligibility of players in dispute shall be determined prior to the Baseball

Saskatchewan Association registration day, by the BASEBALL REGINA Board of Directors.

- 9.6 All players must play within the division specified for their year of birth, except for the following exceptions:
 - 9.6.1 Players in their first year of Mosquito may be allowed to stay in Senior Rally Cap based on their parent's &/or Division Director's opinion.
 - 9.6.2 Female players may, at the discretion of the Division Director of the division their birth date would put them in, be allowed to play one year below their birth year, but may not play at a AAA level. (i.e. a female player who would be first year PeeWee may play in the Mosquito AA or A Division.)
 - 9.6.3 Any other exceptions to the above must be specifically approved by the Baseball Regina Board of Directors.
- 10 BASEBALL REGINA shall advertise, receive applications for and select the coach for every team in every division.
 - 10.1 A Coaching Selection Committee, which will include the Division Directors, shall be formed for each age division to make all coaching selections for each season. **The Coaching Selection Committee should consist of a minimum of three members and shall not be related by marriage or blood.**
 - 10.2 Each Coaching Selection Committee shall make coaching selection recommendations based on criteria and guidelines as established by the Board of Directors.
 - 10.3 Each Division Director shall present their coaching selection recommendations to the Baseball Regina Board of Directors for approval.
- 11 Each team will consist of one coach, a minimum of one assistant coach and one manager/treasurer. The manager/treasurer **should** be elected by the parents from the parent group and **should** not be one of the coaching staff.
- 12 In the event that the team has non-parent coaches, the team shall be required to cover expenses as stated in the "Minimum Recommended Guidelines for Non-Parent Coach Expenses" (see Appendix A). It shall be the manager/treasurer's responsibility to ensure the team budget is developed to cover these expenses..
- 13 All teams shall account for all money used and spent on their team's behalf and submit a Financial Statement for their operation to the parents or guardians of their team by October 1st of the current year. A copy of such Statements must be provided to BASEBALL REGINA upon request.
- 14 Coaches must see that all players participate on a fair and equitable basis. Coaches

deemed by BASEBALL REGINA to have not followed the minimum play rules for their division are subject to a one game suspension for their first violation to be served the first game after notification of such suspension. Subsequent violations will result in further suspensions.

- 15 Practices after tryouts must be arranged by the coach.
- 16 Players must wear BASEBALL REGINA assigned uniforms for BASEBALL REGINA scheduled league games, league tournaments and SBA Provincials. In the event a second jersey is used it shall have the Baseball Regina logo on it.
- 17 If a team does not have nine (9) or more players available for a league game or a league play-off game, substitute players may be called up from a lower level of the same division or from a lower division to fill the roster. Coaches of the lower level team **MUST** be contacted to request permission to call up a player.
- 18 **Teams cannot call up a player from a lower division unless they have one or more players missing from their regular roster.**
- 19 **All coaches must submit an original criminal record check (CRC) to the Baseball Regina Executive Director by May 15. Failure to submit a CRC will result in the coach(s) being ineligible to coach any further in the season until they submit one.**
- 20 **All coaches shall be in uniform and wearing baseball pants.**

In the case of a double header with a third game scheduled following the double header, both double header games shall use the “no new inning after 2 hours and 30 minutes” rule. If the team has less than seven players the game is forfeited.** Any AAA team not having at least nine (9) players by 30 minutes past the official game start time shall forfeit the game. must be done prior to 10 pm game day if possible. Failure to report scores may result in a team being ineligible for league playoffs. (Mosquito-**Midget A**)

- 20 For league play-offs teams must have played 60% of a full; if not, games will be counted as a LOSS, until the 60% mark is met. After making this adjustment, placings will be made according to win-loss percentage. (Mosquito – **Midget A**).

5 Rally Cap Division

Please note game plan changes for JUNIOR RALLY CAP- APPENDIX D

The objective of this division is to introduce the game of baseball to young players while making it safe, interesting and fun. Our program offers a wide flexibility for placement based on age and skill at this level. We find the best fit for a starting player to develop.

Although some of the rules are not traditional rules we are familiar with, at this age tradition is not the primary concern. The opportunity for the players to learn the basic fundamentals of the game in a safer environment while having fun and improving their skills is the primary concern. Hitting, fielding and running the bases are the primary reasons children want to play baseball and this program allows them to do that. **Junior and Senior Rally Cap Divisions shall follow the format as provided by Baseball Canada in the book titled Baseball Canada Rally Cap Program.**

Junior Rally Cap Program Format

Incorporating the Baseball Canada Rally Cap Program

Ages: 5 and 6* (4 with approval from Division Director and parent/guardian coaching) as of December 31 of current year.

*If already completed 2 years of Junior Rally Cap, player may consider Senior Rally Cap.

Number of Coaches: 1 or 2 along with 1-2 parent helpers.

Concept:

Players' first experiences in baseball should be filled with active and engaging activities that are developmentally appropriate for their age. The Baseball Canada Rally Cap program introduces the game to children while developing skill in fun and entertaining manner. Three teams come to the baseball park for a 90 minute practice/game. The first 15 minutes is to organize and perform a skill warm-up with their coaches. When the official game begins – Team A and B will play a 20 minute game while Team C will be in the outfield with their coaches practicing hitting, fielding, running and throwing. Teams rotate taking 10 minutes to reorganize with Team B and C playing a 20 minute game and A practicing in outfield. Final rotation occurs for Team A to play C and B practices. Coaches will be provided with activity cards that they can use in the outfield for practice ideas.

The Rally Cap Program is Baseball Canada's official initiation program. It was designed specifically for young baseball players and aims to increase interest in baseball at young ages. Players will demonstrate their skill level early in the season following Baseball Canada's Rally Cap report card. Baseball Saskatchewan Association will designate a Rally Cap week in June for players to achieve their Baseball Canada Rally Cap by demonstrating their skills once again. There are different colored Baseball Canada Caps that players will earn according to baseball skill levels. Baseball Regina's Rally Cap Director(s) will assist in organizing the Rally Cap events.

General Rules:

- 8-10 players on team –no more than 10 on a team!
- All players are on the field for defense.
- Players on defense will rotate positions at each inning.
- Catcher can be used when teams go to the pitching machine in June.
- Use of tee for first half of season unless player is capable of hitting from the pitching machine (coach's discretion).
- Pitching machine (Blue Flame) is to be used full time as of June 1st unless a player's skill level continues to require the batting tee. (coach's discretion)
- When using the pitching machine if player does not put the ball in play after the 4th pitch/foul ball the player will hit off the tee.
- Every inning the team at bat will start with loaded bases (increases activity level).
- Players will stop advancing once a defensive player fields the ball and throws it in the direction of the coach positioned in the infield. No advance on overthrows.
- Base paths should be 45 feet.
- Players at bat must hit the ball past the designated line in front of the plate in order to be considered a "fair ball". This line should be about 5 feet directly in front of home plate. If

the tee is hit and not the ball then the player gets to try again. No line will be used – coaches to use their judgment.
