### **2016 Athlete Development Pathway**

Basketball Alberta is proud to have its new Athlete Development Pathway up and running across Alberta. Hundreds of young basketball players attended the tryouts throughout September in Edmonton, Calgary and Lethbridge. Athletes in these programs have the opportunity to work with some of the best CIS, ACAC, Club and High School coaches in Alberta while being versed in the Canadian Style of Play curriculum from Canada Basketball. Thank you to all the athletes and coaches for being a part of the new Athlete Development Pathway and getting it off to such a great start!

### **Coaching Conference Super Weekend Review**

An outstanding lineup of presenters met with over 130 coaches in Calgary and Edmonton for the 2016 Basketball Alberta Coaching Conference Super Weekend earlier this month to share their knowledge and love of the game.

Basketball Alberta would like to thank all 130 plus coaches and our presenters (Jack Armstrong, Steve Sir, Eric Magdanz, Dawn Smyth, Mike MacKay, Greg Francis, Matt Kallio and Michael Weiland) for making the Super Weekend a very memorable experience.

Basketball Alberta is looking forward to hosting another great lineup in 2017!

3, 2, 1 ...until next time!
