

CANADIAN ATHLETIC CLUB PEEWEE AA PROGRAM OUTLINE

The Canadian are pleased to be facilitating the Peewee AA program in the Northwest Zone and we would like to provide some information on the program for the 2018/2019 season.

Hockey Edmonton and the Peewee AA transition committee have made some changes to the 2018/2019 season for Peewee AA

This season the schedule will consist of

25 x 90 min Regular season games

40 x 1 hour City of Edmonton Arena practices

CAC will also add another 10 practices at CAC Arena to supplement the program so that it will follow a true 2 to 1 practice to game ratio.

Peewee AA Tryouts will not commence as mandated by Hockey Edmonton before September 3, 2018 and must be completed by September 15th, 2018

CAC have tentatively scheduled tryouts for Sept 8th and 9th, 2018

Please check the CAC Website throughout the summer under tryouts for your scheduled ice time and grouping

Tryout fee will be \$100.00 for 4 on ice sessions

Registration for tryouts will be online and will open June 1st

Tryout Procedure

All registered Peewee players will be placed on scrimmage teams. These placements will be completely random and previous year's team placements will have no bearing.

All players will be evaluated by members of the coaching staffs of CAC teams (Peewee, Bantam and Midget Coaches) using CAC evaluation forms.

Upon completion of the evaluation scrimmages a list will be created of the top 40 forwards, 30 Defensemen and 10 Goalies.

From this list Coaching staffs of the 3 Peewee AA teams will gather to draft their teams. Selection order will be decided by a draw of straws.

Head coaches (if a parent) will be allowed to choose their own child if the child ranks within the top 40 forwards, 30 Defensemen and 10 Goalies as their first pick.

Only 1 (one) assistant coach (if a parent) will be allowed to select their child the teams second pick if the child ranks within the top 40 forwards, 30 Defensemen and 10 Goalies as their first pick.

All other player selections will be done in draft order.

The player selection process will be closely monitored by the CAC Hockey Administration Committee.
