CMHA FUNDRAISING REQUIREMENTS:

Each family is required to participate to the best of their ability in our "Association" fundraiser (family also includes blended). The board will determine this fundraiser before the season gets underway. Dependant on the year it could be an Oilers 50/50 night or a cash raffle etc. If you cannot participate in the fundraiser your \$200 cheque will be cashed after board discussion. In the case where an additional fundraiser may take place that participation could work towards credit for the next hockey season registration fees.

In addition to the association fundraiser, is your team tournament commitment cheque of \$100 per player. In this case your shifts worked is your contribution (shifts include; raffle table, 50/50, time box). These shifts are based on a per child basis on each team. If you are unable to attend then it is your responsibility to inform the team manager and have someone there to fill your shifts.

As for "Team" fundraising it has been decided that it is based on a per child basis on each team. If this is an issue for your family please advise the board.

With out the support of the community and members we cannot continue to offer our athletes the best experience they deserve, we appreciate each family for their past and future support of CMHA.
