

# HOCKEY ALBERTA

HOCKEY CANADA INSTRUCTIONAL STREAM CLINICS

## PUCK SKILLS (For Coaches)

**The Puck Skills clinic will cover the fundamentals such as stick length and proper grip techniques progressing to age appropriate drills and on ice equipment. Included will be examples of what the Pros are doing and how it can be introduced to your players in a regressed form.**

**The presentation is designed to cover a broad spectrum of age and skill ranges, all coaches will leave with something they can implement immediately.**

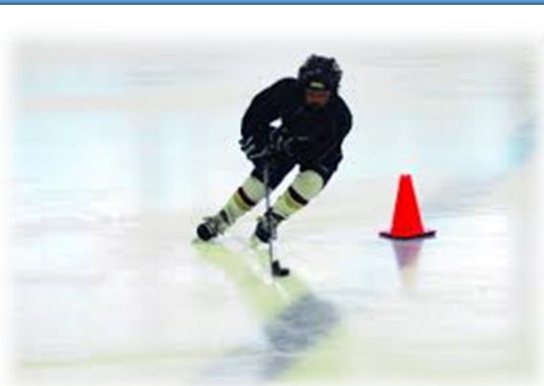

**Clinic consists of:**

- **1.5 hours Classroom Session** – Presentation, video examples, sharing drills/practice plans
- **1 hour Ice Session** – Skills & drill walkthroughs, explore topics discussed in the classroom portion

**Thursday December 7<sup>th</sup>, 2017 - Calmar**

**6:30 pm start @ Calmar Curling Club**

**Registration link** - <https://ehockey.hockeycanada.ca/ehockey/ClinicDetail.aspx?cid=116919>

**All clinics utilize the Hockey Canada Instructional Stream curriculum and are led by certified instructors.
