New registrants including transfers from another association must register by attending the in person registration on June 15, 2017 at the Gibbons Cultural Centre. After that date, please contact our Registrar directly. You will be required to provide proof of residency (e.g. power bill with legal land location) as well as a copy of the player's birth certificate and a completed Parent declaration form. All parents will be required to complete Hockey Alberta's Respect in Sport Parent Program before registration is completed if they have not already done so. See www.hockeyalberta.ca for details.

Players wishing to try out for AA / AAA for levels starting at Peewee must still register with the CNN Spurs Minor Hockey Association first.
