Otherwise, set up a new family account that you will use each year to register your players. Ensure to include your physical address (legal land description for rural players) in your registration.

New registrants including transfers from another association must register by contacting our Registrar directly. You will be required to provide proof of residency (e.g. power bill with legal land location) as well as a copy of the player's birth certificate and a completed Parent declaration form. All parents will be required to complete Hockey Alberta's Respect in Sport Parent Program before registration is completed if they have not already done so. See www.hockeyalberta.ca for details.

Players wishing to try out for AA / AAA for levels starting at Peewee must still register with the CNN Spurs Minor Hockey Association first. After that you will be eligible to complete the forms necessary to allow your player to tryout. Please contact our Registrar for further information on this process.
