To Whom It May Concern,

The CNN Spurs Minor Hockey Association in the Gibbons and Bon Accord area will be hosting our 10th **Annual Fundraising Event**. This year the event will include a sit down dinner, live painter and live auction as well as some raffles and a dance. The event will be held on November 19, 2016, at the Landing Trail School Gym in Gibbons. Money raised will be used to help CNN to continue to run an affordable and accessible hockey program for the children of our community. Our hockey association strives to assist in the growth and development of all our players.

We are seeking a donation from your business to help us to make our annual fundraiser another huge success! Donations will be used in the silent auction, as door prizes for guests and in raffle draws. If you prefer a monetary donation, this will be used to help offset the fixed costs of the event.

All funds raised will go directly to the CNN Spurs Minor Hockey Association and will benefit all players. These funds will be used to ensure that our organization will be able to keep registration costs affordable for our parents. Funds will also be used to administer coaching and referee clinics and to replace any necessary equipment used to keep our players safe. In addition to providing support to our non-profit organization, we will ensure that your sponsorship is mentioned both in writing and verbally through our event.

I would like to take this opportunity to thank you in advance for your support of the youth in our community and the CNN Spurs Minor Hockey Association. If you have any further questions please do not hesitate to call the Fundraiser Coordinator, Candice Ginter at 780-239-4282.

Sincerely,
