

Crowfoot Hockey Volunteer Policy

Revised for 2016/2017

10 hours of volunteering is required per child (not per family)
The Volunteer and Jersey Deposit cheques are now collected by Managers.

Crowfoot Hockey recognizes that the contribution of hockey volunteers is immeasurable and without volunteers, minor hockey would not exist. Collectively, we have a profound effect on the experience of 800 young athletes every year. Due to the lack of volunteers for key and team positions, this policy has been established.

Parents must volunteer 10 hours minimally on each of their child's team.
Exemptions to this rule are Head Coaches, Team Managers, Association Coordinators and Board Members. Team Managers and Head Coaches do not need to volunteer on more than one team. Officers of the Association (Coordinators and Board Members) have fulfilled their volunteer requirement. Team level volunteering is optional for this group of volunteers.

Below is a chart of various team volunteer positions and what we consider

Team Managers will collect \$200 Volunteer Deposit Cheques and \$200 Jersey Deposit cheques from each of their families. These cheques will be dated March 1st, 2017.

This deposit cheque will be cashed at the end of the season if the family does not complete at least 10 hours of volunteer work as authorized by the Association. It is at the discretion of the Manager and Head Coach as to which families on their team are delinquent with not volunteering.

Crowfoot Hockey would like the team managers to delegate as many duties as possible and be open to new suggestions for contributions that can be made by our members. We encourage all our members to step forward and help in the various volunteer positions available at the team and/or Association level

We encourage all our members to step forward and help in the various volunteer positions available at the team and/or Association level.

If any member is interested in learning about the Association level volunteers (Coordinators and Board of Directors) for future seasons, we would like to hear from you. Contact admin@crowfoothockey.com, or if you have any suggestions to further improve our Hockey Association.
