

Overtime rules

In the event that the score is tied at the end of regulation play of a playoff game, mini games will be played in which each team will be given the opportunity to score using the following procedure:

- The home team will have choice of ball or defer.
- The team with ball will scrimmage at the opponent's 20-yard line and will have 4 plays to score a TD. Teams may have more than 4 plays due to penalties being called.
- Teams will a choice of 1 or 2 point converts on any TD scored.
- The second team will then scrimmage at the same 20-yard line and proceed as above.
- If the score is still tied, the procedure shall be repeated at the opposite end of the field, with the ball scrimmaged at the 20-yard line and the teams alternating the order of possession.
- A winner is determined only if both teams have had equal opportunities to score.
- Mini games as outlined above will continue until a winner has been determined.
