

BACKGROUND CHECKS FOR COACHES (NEW FOR 2017)

At the annual general meeting in Red Deer in January, the members of AMRHA passed a motion requesting background checks on coaches of roller hockey teams playing in their local associations. For the 2017 season and beyond Alberta Minor Roller Hockey Association will require criminal background checks from all **HEAD COACHES working with youth teams (U17 and Down)**.

AMRHA is aware that criminal back ground checks in all other minor sporting associations are a regular occurrence. Therefore, any background checks done in the previous year (2016) before our current season begins will still be accepted. For head coaches that already have background checks from Ice Hockey or the police, the only thing you need to do is provide your league director with a printout.

The only information AMRHA needs to know from that printout is this

1. League or Association (roller hockey)
2. First Name
3. Last Name
4. Birthdate
5. Result - Cleared, Criminal Record Disclosed, or Not Cleared

If you have never had this background check done, we have made arrangements to do it through **Triton Canada**. Using Triton will only cost you as a coach \$25 and will provide same day turnaround. This is an excellent value compared to other offerings that exist.

The link for Triton Canada can be found on the AMRHA website home page or you can use this direct link to the Triton Canada site.
