**PARENT AGREEMENT FOR PLAYERS BORN IN 2014**

The FMMHA accepts registrations for underage players (born in 2014) in the Initiation Division. The following conditions apply:

- The child must participate in the normal activities of the team without disruption.
- No special consideration will be provided because of the age of the player.
- The underage agreement is only valid for one year. It is expected the child will play one additional year in the Initiation Division. The player will not move up to Novice after two years due to the fact that he/she has started as an underage player in Initiation.
- A written agreement must be signed by the parents agreeing to these conditions.
