

Fort Saskatchewan Soccer is Hosting
Summer Camps

Once again **Fort Saskatchewan Soccer** has partnered with **Sean Fleming** and **Soccer is Everything** for this summer soccer camp. Sean Fleming has dedicated two decades of his life, coaching with Canada Soccer, including the men's national U17 team, Canada's FIFA U20 World Cup team in 2007 and FIFA U17 World Cup in 2011 and 2013. Sean and his skilled team of coaches are coming out to run 2 weeklong summer camps! Skills will be developed in a variety of sessions to assist the participant in applying these techniques against their opposition. There will be various game formats used throughout the week to give the participants an opportunity to develop their game understanding and tactical awareness. There will be a skill competition each day and an instructor led lecture with the participants on a healthy lifestyle as well as other soccer related topics.

SUMMER CAMP: U9- U15 (ages 7-14): July 23 to 27
10 am to 3 pm
