

## Grimshaw Minor Hockey – 2017/2018 Fundraising Information Sheet

Player: \_\_\_\_\_

Level: \_\_\_\_\_

It is the policy of Grimshaw Minor Hockey that all parents with children registered in Hockey commit to participating in board sanctioned fundraising events. These events include activities such as working Bingos, selling tickets, and other activities. Some parents have indicated that they would like to exercise an option to pay out their fundraising commitments. The option being offered by Grimshaw Minor Hockey is as follows.

### OPTION 1:

A payment of \$400 per registered child is due to cover your fundraising obligations at the time of registration (Check dated for September 1, 2017). This payment releases the parent from the obligation to participate in Grimshaw Minor Hockey Fundraising but does not release the parent from required "Team" fundraising.

### OPTION 2:

For parents not exercising the fundraising payout option, five (5) deposit checks are required as follows:

- Check 1 to be dated for November 30, 2017 in the amount of \$125
- Check 2 to be dated Feb 28, 2018 in the amount of \$125
- Three (3) checks dated March 1, 2018 in the amount of \$75.00 each

Commitment Deposits will be returned at the end of the season once all fundraising obligations have been met.

### *Planned Fundraising for the season:*

*Bingos / Cash Calendars / GMH TV Advertisement / Oktoberfest*

*(GMH reserves the right to change the above as the Board sees necessary)*

Grimshaw Minor Hockey is pleased to offer this option to parents! For those of you who still wish to participate in required fundraising activities, we look forward to working with you to support GMH Fundraising Events.
