		TOTAL REIMBURSEMENT	

How to use table:

Go to your correct category (Novice, Atom, Peewee, Bantam). Fill in the number of Playoff Games you played and multiply that by the number indicated in column 3 "Referee's Fee" and put the total of that equation in column 4 under "Total".

So for example if you are in Novice and played 2 Playoff games, you would put \$40.00 (2 @ \$20.00) into column four (Total) and add it to the \$400.00 that is already calculated for you. Your "**TOTAL REIMBURSEMENT**" at the bottom of the table would be \$440.00.

Please Note: We do not reimburse referee fees for exhibition or tournament games.
