

WELCOME

** NEW ** FMHA COMMITTEES

The strength of any organization is based on the commitment of its volunteers. Like any other minor sport organization Foothills Minor Hockey Association is always seeking volunteers to run its many programs. Volunteer opportunities range from serving on the Board of Directors, sponsorship and helping out at our local events.

***NEW* for the 2017/2018 Season- Become a Member of a Committee**

It is at the committee level where the new ideas for the organization originate. Each committee is represented by a board member who takes forward the recommendations of his/her committee. Committees are made up of members of the Board of Directors and interest members of the Foothills Minor Hockey.

Below are the Committees we will be implementing for the 2017/2018 Season
(Subject to enough volunteers)

Special Events- During the course of the year Foothills Minor Hockey has the opportunity for several events. We are looking for passionate individuals with event planning expertise and enthusiasm whom are willing to share their time and ideas to help bring our hockey community together. These could possibly include, an open house, gear swap, Little Britches Parade, guest speaker, community events etc.

Hockey Development- During the course of the year we are looking for ideas and opportunities for our kids and coaches to advance their skills through Hockey Alberta courses, goalie clinics and our FMHA general clinics etc.

Sponsorship- Without the generous assistance of our sponsors we simply wouldn't be able to run our program. We are looking for members of our association to help explore funding opportunities and more importantly ensure we are taking care of them and thanking them for their generosity.

Officiating- Referees are an important of the game and our association needs to support our players who decide to take their skills in a new direction. The committee can work together with the board to provide support throughout the year to all officials by providing resources to enhance their skills and help communicate with the association. **TO SIGN UP GO TO OUR FMHA WEBSITE**

Watch for this flyer coming through your school.....

*Thank you to all the parents, coaches, managers, refs, trainers..... and everyone who helps make our association great for the kids!
Have a Fantastic Summer!*

REGISTRATION OPENS

June 1st, 2017

REGISTRATION OPENS JUNE 1st for 2017/2018

Register before the early bird deadline (July 31st) for your name to be entered to win a free FMHA registration for this upcoming season. Draw will be done on August 25th, 2017.

How old does my child have to be to start playing hockey? Tumbit Initiation hockey is for ages 4-6 year olds.

My child does not currently know how to skate. Can he/she still play? Of course it is helpful for coaches if your child has had some skating experience. That being said, many children start the season with very limited skating experience and do just fine.

Does the FMHA have a non/travel team? Yes, Initiation is little to no travel. Currently Novice and Atom has a non travel team that you can request to be on. This is fairly new to our association as we are trying to accommodate all players needs.
