“Purposeful Development”
WHAT IS SUCCESS?

JOHN WOODEN

• John Robert Wooden was an American basketball player and coach. Nicknamed the "Wizard of Westwood," as head coach at UCLA he won 10 NCAA national championships in a 12-year period, including a record 7 in a row.

• No other team has won more than 2 in a row. His teams won a men's basketball-record 88 consecutive games. Wooden was named national coach of the year 6 times. He also won a National championship at Purdue as a player 1931-1932 for a total of 11 National titles.

• One of the most revered coaches in the history of sports, Wooden was beloved by his former players, among them Kareem Abdul-Jabbar (originally Lew Alcindor) and Bill Walton. Wooden was renowned for his short, simple inspirational messages to his players, including his "Pyramid of Success". These often were directed at how to be a success in life as well as in basketball.
