REGULATION 20 – ENFORCEMENT OF CLA POLICY ON THE OFFENCE/DEFENCE TACTIC IN MINOT LACROSSE

The purpose of the enforcement is to ensure that minor box lacrosse players are given full opportunity to develop their offensive and defensive skills. The development and enjoyment of the players is the key principle that needs to be protected. The enforcement of the policy is in place as a deterrent and is to be used when there are valid concerns. Abuse of the enforcement policy will not be tolerated by the ALA. The following are the provisions of the O/D Enforcement Regulation:

20.01 If, during any minor lacrosse game there is a concern that a team is using the offense/defence tactic, a formal complaint must originate from the opposing team's coach. The complaint must provide the details of the complaint, contact information and a copy of the game sheet. The complaint must be submitted to the club president of the complainant who will review the complaint, sign it off and submit the complaint and all the evidence it to the ALA office within 7 days of the completion of the game/s in concern. A \$100 fee must be submitted with the complaint. If the complaint is found to be valid, then the \$100 complaint fee will be returned.

20.02 The ALA office will review the complaint, record the details and forward it to one of the Learning Facilitators located in the province. The ALA office will inform

the club president of the team the complaint was made against. It is the club president's responsibility to inform the team involved in the complaint;

20.03 The Learning Facilitator will then investigate the details of the incident. This will include, but not be limited to interviewing the coaches and the referees and attending subsequent games. Based on the findings, the Learning Facilitator will make a determination, with written reasons, on the complaint. If the complaint is valid, the penalties will follow the CLA's suspension guidelines. Both club presidents and coaches will be informed of the decision.

20.04 A record of the suspension will be recorded in the ALA office and will be communicated to the league the offending team plays in to ensure the suspension is fulfilled;

20.05 There is an appeal from the decision of the Learning Facilitator to a Master Learning Facilitator. There is no appeal from the decision of the Master Learning Facilitator.

REGULATION 29 – DISCIPLINE

Many lacrosse people perform multiple roles, ie: a person may coach, play (box and field), referee, and/or administer. Therefore, any suspensions apply solely to the role that the person was performing when an offence was committed. For example, a suspension to a box player does not extend to field lacrosse, or a suspension to a coach does not extend to their playing status. In the event that an association believes that the offence was serious enough to warrant additional discipline (ie., a suspension on all ALA sanctioned lacrosse activities) then a request to send the case to the ALA Discipline and Appeals Committee must be made as per Bylaw 11.01.5. The ALA Discipline and Appeals Committee has the authority to determine such discipline or sanction it may determine is appropriate, including extending the suspension to all or other ALA sanctioned activities as it determines.
