

# **JLMHA Parents Code of Conduct**

**“All parents must follow the code of conduct”**

## **What can parents get out of the game?**

Show your children how to have fun, by having fun yourself. Help your children learn new skills and improve upon existing ones. Be with friends and make new ones. Help your children be a friend, and to make new ones. Encourage your children to become a team player. Facilitate your children getting exercise, and becoming physically fit. Inspire your player to be a good sport, and to follow your leadership by example!

## **Guidelines for Good Sportsmanship**

- ✓ Encourage your child to follow the “Player Code of Conduct”;
- ✓ Respect the integrity of the game at all times;
- ✓ Always show respect for league officials, team officials, other players and fans;
- ✓ Always encourage your child to participate and have fun at practices and games;
- ✓ Always enjoy your child’s participation and cheer with enthusiasm for them and all players;
- ✓ Always support your child emotionally by supporting their accomplishments and listening to their concerns;
- ✓ Always watch out for other children as if they were your own and speak out for them.

## **Special Notes**

If you drop off your child and leave the facility to do other activities, please advise your coach! If possible leave your contact number (ie. Cellular phone) in case of a need to contact you.

## **Change Rooms**

Please respect our children's privacy. This means females will remain out of male only change rooms and males will remain out of female only change rooms. Should a need to contact or assist your child arise please ask the coaches or a parent of the appropriate gender to intervene on your behalf. Once all the children have finished dressing all parents are permitted entry.

## **Mutual Respect**

- ✓ Respect your child's coaches and they will respect you!
- ✓ Respect your fellow parents and they will respect you!
- ✓ Respect the opposition's parents and they will respect you!
- ✓ Show respect and your child will learn to show respect!

## **Complaints and Concerns**

Any and all complaints received in writing will be dealt with by the league executive following a twenty four hour cool down period. If an exigent circumstance exists, advise an appropriate JLMHA member immediately. Communication is the key to a successful season and to ensuring that we make your child's hockey memories good ones. Please communicate any concerns you may have with you coaches in a respectful manner away from your child. Refer to the JLMHA Constitution for more information on this process.
