

FEES & PAYMENT OPTIONS:

Registration fees are due in full by July 1st, 2018. Payment through the online registration program at the time of registration is not available. You can start making payments to the KMHA office towards your child's registration any time after you have registered them. No player will be permitted on the ice without fees being paid in full.

Overage (2000 birth year) players are not able to register online. Overage players will be waitlisted until we know how many teams we will have in Midget Recreation. **Please send an email to kamhockey@telus.net if you want to be put on the waitlist.** OMAHA's policy states that teams are allowed to have 2 Overage Players on their roster. Fees will be the same as the division they are registered in. Late registration fees will not apply to Overage Midget Players. Players will be waitlisted in the order their email is received.

Registration fee amounts can be found at the bottom of this page. **Registrations that are not paid by July 1st will be cancelled.** Cancelled registrations will be subject to the late fee if re-registration occurs. Late fees do not apply to new and transferring players.
