

# Leduc & District Minor Football

## Protect Your Player Program

LDMFA always commits its program to ensure player safety. The LDMFA Protect Your Player Program started in 2015 and is still going strong in to 2018.

The 50/50 program is used by programs to offset the cost of the best equipment while also ensuring the athlete gets the best equipment and knows where his/her helmet has been.

How it works is the parent orders a new helmet through the LDMFA, we then order the helmet and carry ownership of that helmet, but for the life of your player in the association ONLY he/she gets to use that helmet. This allows you as a parent to know that your player's helmet is being cared for and ensures he/she is being put in a 5 star rated helmet through the Virginia Tech helmet rating program. The LDMFA will cover 50% of the cost of the helmet while the parent will be responsible for the other 50%. Also the LDMFA will help with the up keep of the helmet.

## Benefits to the Athlete

- It's YOUR helmet, no one else wears it
- You know how the helmet has been treated
- Your perfect fit in the most comfortable helmet
- You get a 5 Star helmet
- 5 year shell helmet warranty
- Comfort over liner

## HOW TO CHOOSE YOUR HELMET SIZE

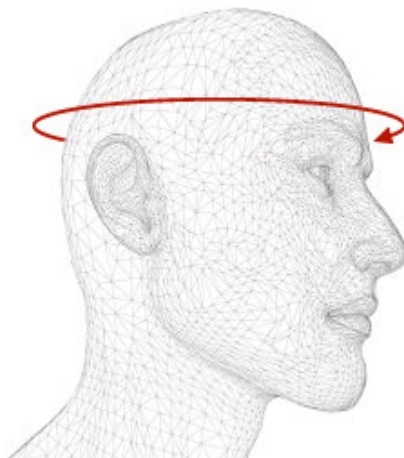

### FIRST STEP

#### MEASURE YOUR HEAD

Wrap a measuring tape around your head, just above the eyebrows. Note your size at the point of overlap.

If you do not have a measuring tape, simply use a piece of string and mark the point of overlap, then measure the string.

Use the size chart to establish the size helmet you should wear.

### SIZE CHART

SIZE	HEAD CIRCUMFERENCE
S	Up to 20 3/8"
M	20 3/8" - 22"
L	22" - 23 1/2"
XL	23 1/2" and up

If you are between helmet sizes, choose the smaller size.

Due to varying head shapes, sizes are only RECOMMENDATIONS.
