

Jumpstart – Leduc Soccer

Please read carefully, as the process has changed (as per Jumpstart and the City of Leduc)

As of today, we will no longer be accepting paper/email applications from organizations, families must go online to www.canadiantire.ca/jumpstart directly to apply for jumpstart program.

- So what does this mean for you as an organization?
 - o Families themselves will be responsible for ensuring they are registered and approved and you will no longer be the middle person.
 - o Families themselves will receive all notification regarding jumpstart application and approvals.
 - o Families will have to print off the soccer registration form from the website (leducsoccer.ca), they will need to then fill it out and email the form back to info@leducsoccer.ca or contact Candace for drop off. Families have two weeks to bring back a copy of the approval/submission to your organization. (After 2 weeks they must pay in full or be removed from registration)
 - The program cannot retroactively pay for missed submissions.
