McKnight Hockey does NOT have access to this information on your behalf.

10.0 METHOD OF PAYMENT

If you want your player to be fully registered immediately the easiest way to accomplish this is to register online and pay by credit card.

10.1 Credit Card – Visa / Mastercard – 2 Options

11.0 HOW TO REGISTER

Online is the ONLY method of registration.

Beginning June 1, 2017, register online by clicking the **REGISTRATION** tab on the McKnight Hockey website and follow the instructions.

If you require assistance with your online registration, please review this document, then review the website, and if you still have questions please contact our McKnight Registrars:

registrar3@mcknighthockey.com = Timbits only

registrar@mcknighthockey.com = Novice - Junior C only

12.0 TIMBITS

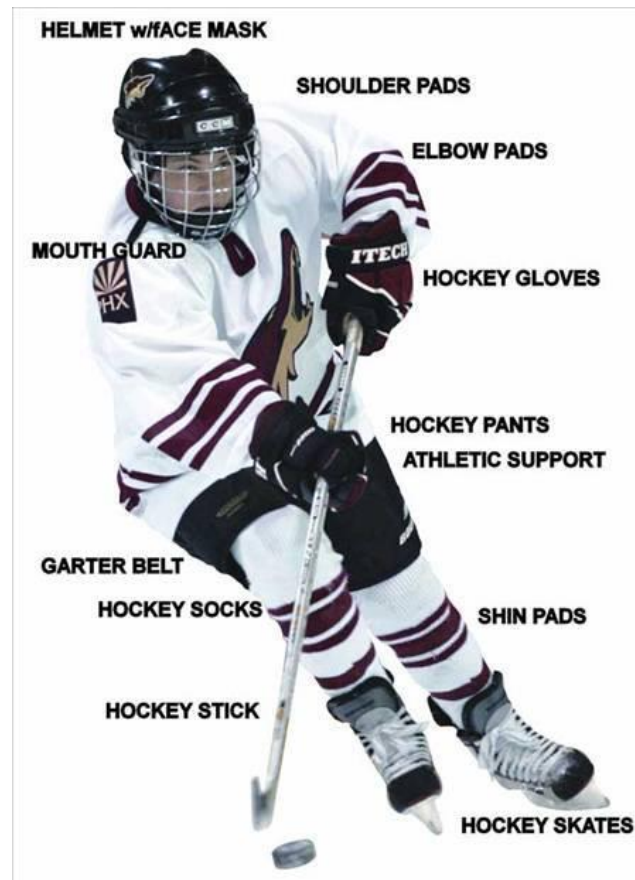

The Timbits program is a mandated program by Hockey Calgary for 5 and 6 year olds. The program focuses on skill development and the FUNdamentals of the game for the players, coaches and parents. The Timbits Program and its rules and regulations are all outlined on the Hockey Calgary website at <https://www.hockeycalgary.ca/operations/timbits-program>

Typically Junior Timbits are made up of 5 year olds and the Senior Timbits are 6 year olds. However, it is possible to have either age in each category. Decisions for placement are determined through a simple sorting process in September to balance the teams.

12.1 Jerseys and Equipment

Thanks to Tim Hortons, each player in Timbits receives a Timbits jersey that they get to wear for the entire season. The jerseys must be worn during each practice, game and tournament that the team takes part in. No name bars and or sponsor bars are permitted on the jerseys, as these jerseys must be returned to the Association at the end of the season.

Full Equipment is required, including a mouth guard. For more details on equipment requirements, please refer to our Equipment website page under the **PARENTS** tab.

12.2 Schedule

The hockey schedule varies from week to week, and month to month. There are no set days or times for any team or division. The most common ice times start between 5:15pm and 10:00pm on weekdays (age appropriate) and anytime on weekends; this includes 7:00am practices.

McKnight does their best to provide Timbits with a regulated schedule but again this may vary due to the schedule restrictions.

12.3 Practices & Games

New for the 2017 – 2018 Season and beyond.

Hockey Canada has implemented a mandatory half-ice schedule for Timbits. This is for practices and games. For more information please click [here](#).

12.4 Timbits Jamboree

The Timbits Jamboree takes place in March. The actual date will be released by Hockey Calgary before the season starts. Please watch for updates on the Hockey Calgary and McKnight Hockey websites.

Each year Hockey Calgary puts on a Timbits Jamboree. This event is a celebration of Timbits Hockey and its attributes. The Timbits Jamboree is a family orientated day where families can enjoy the success of the season. Each player who attends the Jamboree receives their Timbits Medal, honoring each player for a job well done as well as a gift from Tim Hortons. All teams are asked to participate.

12.5 Timbits Learn to Play Hockey Program

The Learn to Play program is for first year Timbits players and will be held in late August at Henry Viney for members from McKnight Hockey. The actual dates will be released by Hockey Calgary in the spring/summer. Please watch for updates on the Hockey Calgary and McKnight Hockey websites.

The purpose of this program is to educate parents and coaches on the importance of skill development, while introducing first time players to the game of hockey. Thanks to Tim Hortons sponsorship with Hockey Calgary there is no cost to parents, participants and/or coaches to take part in this event.

If you are a first year Timbits player and would like to take part in the Timbits Learn to Play Hockey Program, you will be required to register online with Hockey Calgary. Please watch for updates on the Hockey Calgary and McKnight Hockey websites, or contact our Timbits Coordinator at timbits@mcknighthockey.com.

13.0 NORTH CENTRAL HOUSE LEAGUE (NCHL)

The North Central House League is an available option for Novice and Atom players. If you are interested in this league then register early to avoid disappointment, as there are a limited number of spaces available. The registrations for this league are on a 'first come, first completed registration' basis.

McKnight, Simons Valley and Calgary Saints are part of this league.

Program runs from early October to the end of March.

Note: we reserve the right to cancel the NCHL in certain divisions if we do not meet the minimum requirements. Players would have the option to move to community hockey or 100% of the fees paid to date will be refunded if we cancel the division.

13.1 Goalie Rotation

Goalie rotation will be allowed in both Novice and Atom, and the association will provide goalie equipment. (If you child signs up as goalie in Atom and wants to play full time we will do our best to accommodate but it cannot be guaranteed. In this situation equipment will NOT be provided.)

13.2 Community Hockey vs. House League Hockey

Here are a few things to highlight some of the differences:

- Community Players evaluate in September and are ranked on teams based on skill level.

- House League Players are divided up into balanced teams in October.
- Community Teams don't have set schedules.
- House League Teams have set schedules within the NCHL Guidelines.
- Community Teams do a variety of fundraising throughout the season.
- House League Teams do not fundraise outside Association level commitments.
- Community Teams may purchase additional ice times for exhibition games/practices.
- House League Teams are not allowed to pick up additional ice times.
- Community Teams are allowed to participate in tournaments.
- House League Teams are not allowed to participate in tournaments.
- Community Teams (Novice through Junior C) participate in Esso Minor Hockey Week.
- House League Teams do not participate in Esso Minor Hockey Week.
- Community Teams (Atom through Junior C) participate in Hockey Calgary Playoffs.
- House League Teams do not participate in Hockey Calgary Playoffs.
- Community Teams are not permitted 'friend' requests.
- House League Teams accept 'friend' requests (we will try to accommodate).

A comprehensive document has been created on this new league. Please refer to the House League website page, under the **REGISTRATION** tab on the McKnight website for further details.

14.0 CHECKING vs. NON-CHECKING

'Body Checking' will NOT be permitted within the Bantam 4 Division & below within Hockey Calgary league, exhibition or tournament play.

'Body Checking' will NOT be permitted within the Midget 4 Division & below within Hockey Calgary league, tournament, or exhibition play.

As a result of the above changes we will be asking you during the registration process if you wish to try out for the "Body Checking" or "Non Body Checking" division.

The number of teams that we register in each division will determine the number of checking teams available for our Association.

For Example: Based on the suggested grid from Hockey Calgary if we have enough players to register a total of 5 teams we would enter 2 teams into the 'Checking Division'. If we have enough registrations for 4 teams total in Bantam then we would only register 1 team in Checking and 3 teams in Non Body Checking.

If you are not successful in the selection of the "Body Checking Division" then you will be automatically moved to the "Non Body Checking Division". Refunds or transfers are not permitted as a result of not being selected for a team in the "Body Checking Division". Your interest to try out for a body checking team does NOT guarantee a spot on these teams.

This is a great opportunity for Bantam and Midget players who do not want to body check but want to continue to play hockey.

15.0 CLINICS

Each season McKnight strives to provide additional opportunities for player development. McKnight offers a variety of clinics throughout the season. Clinics that may be available at time of registration: Goalie Clinic, Bantam Checking Clinic, Defensive Clinic and New to Hockey. Below is information on the clinics that are confirmed at time of publication.

15.1 Goalie

McKnight Hockey will offer a goalie clinic for all goalies in Atom – Midget to help them to continue to improve their goalie skills. This program also offers coaches the opportunity to learn drills to help goalies improve throughout the season.

15.2 Bantam Checking

McKnight Hockey may offer a bantam checking clinic as a refresher to players prior to evaluations.

16.0 JUNIOR C TEAM

Registration is open to those players within McKnight boundaries.

Based on the number of players registered as of September 1st, it will be determined whether there are enough players to host a team. Players registered as of September 1st will be notified if there will or will not be a team for that particular season. If there is not enough interest, or other factors determine that a team will not be hosted that season, we will work with Hockey Calgary to assist in finding places for registered players to play Junior C. Additionally, if there is more interest than we can support for a full team, then we will host an evaluation tryout for the team, and any players that are not successfully placed on the team, we will work with Hockey Calgary to assist in finding places for registered players to play Junior C.

If we are unable to host a team as of September 1st then 100% of the fees paid to date will be refunded.

16.1 Quadrant Tryouts

Junior C players/goalies that are trying out for Quadrant Hockey with the Calgary Northstars will be required to register online with McKnight Hockey, in addition to registering with the Calgary Northstars Association, if you want to secure a spot with McKnight in the event you return.

It will be the responsibility of the player to advise the McKnight Registrar that they have secured a place with the Calgary Northstars. At that time a 100% refund of all fees paid to date will be refunded. Payments made by credit card will be provided as a refund back to the credit card.

16.2 Respect In Sport (RIS)

It is a requirement of Hockey Alberta that ALL players have the Respect In Sport certification on their Hockey Canada player profile. It is acceptable that a parent completed the certification prior to the player being eligible for Junior.

If there is no current certification on file then the player will be expected to take the course himself or herself.

16.3 Overage

A maximum of 4 overage players are allowed to register per team only if they played with the same team the previous season. An overage player would be 21 years of age as of December 31st of the current playing season.

17.0 QUADRANT TRYOUTS (AA or AAA Elite Hockey)

McKnight Hockey players/goalies can try out for the Calgary Northstars.

Quadrant tryouts are only open to members who are in Bantam, Midget and Junior.

Players wishing to try out for AA or AAA teams with the Calgary Northstars MUST also register with McKnight Hockey Association to secure a spot. You must update the Registrar of your progress throughout your quadrant evaluation process.

Choose the appropriate registration package (quadrant) during the registration process. Indicating that your player is trying out for the Calgary Northstars during the McKnight registration process ONLY TELLS MCKNIGHT of your player's intent, guaranteeing them placement within McKnight should they not be successful with the Calgary Northstars. It does NOT register them with the Calgary Northstars; please contact the Calgary Northstars regarding Quadrant registration.

Should your child return to McKnight you must re-register through Hockey Canada Registry (HCR). Choose the appropriate registration package (returning) during the registration process. This will insure that you will not be charged late fees.

18.0 SCHEDULE

The season begins in September and concludes at the end of March. The Ice Schedulers will attempt to make an equitable allocation of ice times across all teams within a division and will not give preference to one division or any one team. McKnight works with an automated program to facilitate the booking of our team ice schedules. Teams are not guaranteed specific days or times. Based on the age category, ice is booked based on parameters provided for by McKnight Hockey and Hockey Calgary. Below is a sample of the ice schedules that are published during the season.
