

Welcome to another great season of hockey with Millet Minor Hockey!

Whether this is your first year with MMHA or you have been involved for longer, this season will bring some changes while many aspects of our great hockey community will stay the same.

We invite you all to attend our AGM on Wednesday, May 9 @ 7:00 pm to hear in person what is happening in your association. All families who attend the entirety of the AGM will receive a \$50/family credit towards hockey registration for the 2018/2019 season.

We will be voting on important issues that affect everyone, as well we are hoping to vote in new bylaws that have been in the works for quite some time.

We will also be voting in new members of our Executive Board. There are many opportunities to help out on our board if you are interested. The positions open for re-election are as follows: President, Treasurer, Registrar, Referee In Chief, Ice Coordinator, Equipment Coordinator, Bingo/Fundraising Coordinator as well all Level Coordinators. If you are interested in being considered for one of these positions but are unable to attend the AGM on May 9, please send a proxy letter in writing for consideration of the position desired at least 14 days prior to May 9 to MMHA secretary Melissa Emmerzael. (secretary@milletminorhockey.com)

There has been a \$25 fee increase in registration for the upcoming season.

Fee Schedule for 2018/2019 Season is as follows:

Earlybird Registration - Opens May 1/2018

Initiation (2012-2014) \$340

Novice (2010/2011) \$485

Atom (2008/2009) \$535

Peewee (2006/2007) \$560

Bantam (2004/2005) \$610

Midget (2001-2003) \$610

**Add \$200 from July 1/2018 onwards*

**We will still be offering a one time \$50 registration (plus completing all volunteer obligations) for any player from within MMHA boundaries, who has never played hockey before. Please let our registrar know when you register that you are a first time player in order to qualify for this fantastic incentive.*

We are also wanting to get prospective registration numbers in place in order to best determine the number of teams per level we will be able to set up. ***Please complete the returning registration survey (one per child) ASAP to let us know if your child(ren) will be returning to play hockey with MMHA for the 2018/2019 season.***

Registration will open on May 1st. The sooner you register the more information we have to set up our teams. You do not need to pay your fees when you register, but in order to get the early registration price you must register prior to July 1, 2018. *Please register your child(ren) as early as possible, that would be a great help for our association!*

One large change we are hoping to implement this coming season is a points system. Right now everyone has volunteer commitments to work a certain amount of bingos per season based on how many children you have playing per family. (1 child = 4 bingos, 2 children = 7 bingos, 3 or more children = 10 bingos) Above this many families are helping out in areas such as head

In short, you no longer will “have” to work a certain amount of bingos. There will be a certain number of points your family will need to accumulate based on how many children you have playing. How you accumulate those points is based on the positions you hold throughout the season and/or how many bingos you work. If you still choose to solely work bingos to accumulate your points, it will be the same amount of bingos as in previous years based on the points system. (ie: 1 child playing = 1600 points = 4 bingos)

Position			Points Value		
Active Governor			1200		
Board Member			1200		
Head Coach			800		
Manager			800		
Assistant Coach			500		
Tournament Cord.			400		
Jersey Parent			200		
Time Box (each)			50	Excluding Tournament	
Bingo(each)			400	500 for Chairperson	
1 kid= 1600 points					
2 kids= 2800 points					
3 kids += 4000 points					
On April 30th of each year is when points are tallied. New season begins on May 1st each year.					
On April 30th every point above your total needed for the year will credit your next years fees by \$0.0625 per point over.					
Alternately, for every point you are short for your years total, \$0.50 per point will be added to your next years fees.					
4 x \$200 cheques to be provided at start of year for anyone not completing their volunteer commitments					
2 positions only credited to each individual with a max of 2 members per family (the 2 highest ones, excluding timebox and bingo)					
IE: Coach and Governor = 800+1200 points					
Coaches: both head coach and assistants must be present at majority of practices and games to be eligible for points.					
Timebox: 2 per game for Initiation & Novice / 3 per game for Atom & Peewee					
Board discretion will be used for issues that arise.
