Atom A discussion on going back to the option of having only 1 Atom team this year  
Motion put forward to have 1 Atom A team

**Motion: Derek  
Second: Chris  
Defeated**

With having two Atom teams discussion leads to having one stronger team one weaker team. If we were to have a Stronger and weaker team would need to be in seperate leagues. The option to have one team in the SEMHL and one in HRI the stronger team being in the SEMHL.

Discussion if we are able to enter a team in the SEMHL Derek has said we are able to enter a team in as we were accepted he just needs to contact them

Discussion continues with the consenses that there are enough higher calibre players to have these two teams and would have enough interest from players and parents of the higher calibre to play in the SEMHL

Motion to have a stronger team entered in the SEMHL and a second team in HRI

**Motion Derek  
Second Cody  
Carried**

Development Still in negotiations with Scott King on a price and schedule for Atom, Peewee, Bantam Tier teams, Ron will contact Scott with our final offer and a decision will be made at that time of Scotts response.

Prairie edge powerskating has been contacted for a quote and would like to know numbers and how many teams they would be looking at. Derek will get her that information and we will discuss when we have a quote

Stephan Govan is going to be approached on working on development with the female division. Will discuss when we have a response.

Midget Discussion on Midget numbers and what direction to go with the house league. options would be a small team and look for exhibition games, possibly looking into the Regina B league however fear of commitment from house players to travel. We will wait until more registration numbers come in and will discuss again at that time.

**ITEM 4 New Business**

Registration numbers: Registration numbers are low at 576 to date.

PA minor hockey PA contacted MJMH to try and fight SHA to reduce our associations to A teams instead of AA centers.

Fundraising tool short discussion on doing a 50/50 league wide table for the season. Not any interest in putting this together.

Mossbank Peewee Team has inquired about entering a team in our Peewee House league. Nadene will respond with the cost to enter our league and information on how many games as well as let them know all play off games are to be played in Moose Jaw, If they are still interested it will go to the board for a vote at that time
