Mite registration fee & deposits:

The registration fee for the Mites program is \$150. No volunteer or uniform deposit cheques are required for the Mites. Each Mite player will receive a t-shirt to keep, with their name and a number on the back, which will be used for any games that are played.

Juvenile registration fee & deposits:

The registration fee for the Juveniles program depends on whether the coach anticipates having enough players to field a team for the fall season only (approximately 10 games, ending in mid-November), or both the fall and winter seasons (ending in March). Please assume a registration fee of \$200, which will cover the fall season only.

Once the roster is finalized, if the coach expects to be able to field a team for the winter season as well, then an additional fee of \$95 will be required for each player on the team. Players who have paid for the fall and winter seasons (\$295) but who are unable to play the winter season due to playing for their high school team (or due to the team disbanding as a result of losing more high school players than the coach anticipated) will receive a refund of \$95 for the winter season within 45 days of the end of the fall season.

Volunteer and uniform deposit cheques for the Juvenile teams are required as per the previous page.
