Nova Synchro Club is a not-for-profit organization that offers synchronized swimming competitive and pre-competitive programs to girls of all ages.

On November 3, 2013 we celebrated our 25th Anniversary. In the past 25 years our programs have provided girls between the ages of 8 to 18, the opportunity to shine as individuals, become an integral part of a team. They become leaders in the sport of Synchro and in the sport of life.

Our philosophy over the last 25 years is to provide swimmers of all abilities the opportunity to achieve their personal best as individuals, athletes, and team members in a club environment that values respect, dedication and sportsmanship. Best of all these young athletes are having fun and making lifelong friendships.

Working with Corporate Partners such as you will allow us to continually strengthen the quality of our Club by ensuring our athletes are being provided with amazing programs and superior coaching. It will also ensure we are able to offer our programs to the community at rates that are affordable to all families and to all income levels.

We would like to thank you in advance for reviewing and considering out Sponsorship Proposal. Should you require additional information, or if you have any questions, please feel free to contact any one of the board members listed on the side.

Sincerely,

Brenda Embury
President
