

WORLD PRO GOALTENDING

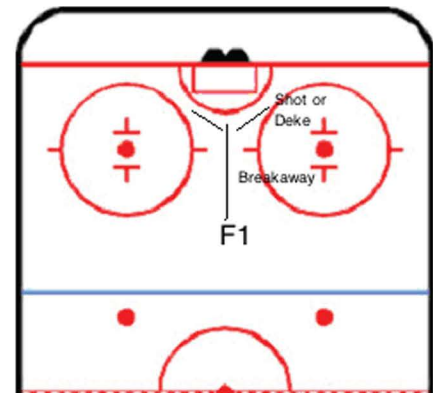

Breakaways

Goalie starts at top of crease and pushes out to challenge forward for breakaway. Goalie glides back to keep proper distance with shooter and follows play to either side

Player Movements and Key Points

F1 starts in high slot with pucks. When goalie pushes out from top of crease, F1 comes straight in as the goalie backs in with shooter. When the shooter reaches top of crease the shooter has to pick left or right side and make his/ her move.
