- Rink boards – need a boom lift to put them up, misunderstanding as to the speed of which they go up

Game & Conduct – Kevin/Glenn

- Couple of issues have come up, teams seem to be dealing with issues internally

Web Admin/Goalie Liason – Graeme

Okotoks Ref Assoc – Greg

- Players Jumping over the boards. Two officials clipped this past weekend. If players are jumping over the boards we need to make sure that the players are paying attention. The referees are not used to seeing this on a ongoing basis so not watching for it
- Pee wee 1 Player apologizing to Official that gave him the 10 min misc. (Ethan Glubish)
- Novice half ice boards falling on official. Officials have been told if asked and they are comfortable they will help. If they do not want to do it we have told them they do not have to. Gabe is on this already
- Pason Green arena, we are taking the dressing room issue to the next level and are currently drafting another letter and this one will state that games will likely be refused
- Ongoing official issues with some of our senior guys, and there is currently some officials under review based on feedback from OMHA & CAHL
- No current issues with time keepers and coaches from 9.2 issues. So far so good this year from an Okotoks stand point. Foothills has been following your protocols and coaches / players receiving 9.2 all go for supplementary discipline.
- Reminder as we get into provincial play downs as well as playoffs approaching please make sure at the higher levels we have time keepers that know how to run the clocks etc. Want to make sure that games keep flowing and don't stall as we try and put the penalties on the clock
- Inbound complaints from other associations are up this year and are the highest we have had in quite a few years.

Rec League – Tara/Renee/Dave

Female – Jenn/Mel

Initiation – Kurt
