13. EVALUATIONS

13.1 Evaluations shall be available for all players registered in OMHA, where more than one team is needed due to registration numbers.

Overview

13.2 Onoway Minor Hockey Association recognizes that the evaluation process is important to players, parent/guardians, evaluators and the Association. All efforts are directed to ensuring that the evaluation process allows a player to demonstrate their hockey abilities and skills.

Objectives

13.3 The objective of the evaluation process:

- (a) to provide as fair and impartial an assessment of a player's total hockey skills as possible during the skating and scrimmage sessions. This ensures that players have a

reasonable opportunity of making a team appropriate to their skill level as determined during the on-ice evaluations.

(b) although it is impossible to eliminate subjectivity, or previous coach/player experiences, the selection process will reflect on-ice performance during the evaluation period. Again, as an Association, our goal in team formation is to have players of similar ability playing together to maintain balanced teams where the athletes can participate equitably and have fun playing hockey during the season;

(c) the selection criteria will be the same for all players at each level from Novice to Midget and the evaluations will be documented. This ensures consistency in the evaluation process, and provides consistency in player and parent/guardian expectations from year to year as players move through the various levels of OMHA's programs;

(d) evaluations are documented and remain confidential. Individual evaluation scores and rankings are not released, as our purpose is to form teams, not to rank players for the general membership. Under no circumstances will evaluation results be released to parent/guardians or players. Further, OMHA does not have the resources to release this information in a form that will educationally benefit and develop the player. This education and development is the responsibility of the coach and parent/guardian. The evaluation sheets and the ranking criteria is only made available to the Evaluation Committee and the President of OMHA. The Evaluation Committee at each level will be comprised of members of the executive. A member of the Evaluation Committee will remove himself from any discussions or decisions that are required to be made regarding his or her own child. Members of the Executive Board of Directors will not release evaluation data.

(e) Any injury which prevents a player from completing the evaluations must be submitted to the executive in writing and will be dealt with on a case by case basis by the Executive Board of Directors.

(f) that all players that are evaluating must choose to either evaluate as a goalie or a player for both days of the evaluations. At no point after evaluations have begun and during evaluations would a goalie be allowed to switch to a player or a player switch to a goalie for evaluation purposes.

(g) that you must show up for both days of evaluations, if you are a no-show on one of those two days, that you will be evaluated with a zero for that day only.
