NOTES:

- All team number estimates are subject to changes in registration and therefore could possibly change Division ice allotments. There will also be minor changes to the schedule during the year as a result of conflicts with events booked. Any such changes will be made up on different dates when available.
- If your team needs to cancel a practice, you must give seven days' notice to the division director and ice ambassador so they may distribute ice to another team or cancel. Failure to do so will result in the team being charged for unused ice.
- No practices scheduled from Dec 24, 2017 to Jan 7, 2018. Schedule begins again on Jan 8, 2018.
- Schedule remains in effect for statutory holidays. **Schedule is subject to change without notice**
