

PMHA Initiation Fun Day Game Layout

The preferred format for Initiation Fun Day tournament is for two simultaneous games (4 on 4, which is preferred or 3 on 3). Due to the smaller dimensions of Penticton's Memorial arena, please see the diagram below for the game layout. This set-up is in alignment with the Hockey Canada cross-ice mandate.

In the event that a team does not have sufficient players to have two games, a single game option is available. This is to be discussed between team officials prior to game time. The following layout will be used should a team not have sufficient players to have two simultaneous games.
