

Tournament General Information

Penticton Minor Hockey Association and it's sponsors are proud to host tournaments throughout the year to give players of all ages, from throughout British Columbia and neighboring Provinces and States, a chance to come together in Penticton. Although typically small in comparison to other Associations Tournaments, Penticton MHA tries to host teams of similar caliber to strive for fun and competitive action for all teams.

While you are attending your tournament, come and visit the BC Hockey Hall of Fame, located at Penticton South Okanagan Event Centre.

Teams selected for Penticton MHA tournaments are not selected exclusively on dates. Teams are selected from the Applications received by PMHA typically a couple of months before the Tournament, except for early season Tournaments.

In most PMHA tournaments there is a four game minimum except Initiation there are three games guaranteed. See the Tournament webpage for information such as fees, number of teams, number of games, starting and end dates/times. Entry fees vary by Tournament but are kept low and not used as an Association fundraiser.

Apply for a PMHA Tournament by using the online application and submitting a PayPal payment.

Body Checking

Penticton Minor Hockey Association, consistent with OMAHA policies, limits body checking to Rep level tournaments (Tier 2 and Tier 3) in the Bantam and Midget divisions only. Body checking, as defined by CHA rules, is NOT permitted for all other tournaments, but body contact is permitted.
