

QUIKCARD EDMONTON MINOR HOCKEY WEEK

Coaches Information

Welcome to the 55th edition of the Quikcard Edmonton Minor Hockey Week tournament.

All coaches must be wearing a button when entering the arena, whether you purchase them at the arena or your association has bought and supplied them for you.

Please be sure you have your HCR Official Team Roster available to present to the Arena Manager before each game you play, this is a Hockey Edmonton rule and must be followed.

Access to dressing rooms will **not** be available till 45 minutes before your scheduled game at the earliest. Please be aware that if games are running behind you may be delayed getting into your room. Do not show up 60 minutes prior and expect to get into your room.

The length of all games is noted on the top of the schedules. Remember all games are run time, the clock will not stop for any reason until the last 2 or 5 minutes of the game. (Playoffs are 5 minutes)

There are **NO** timeouts allowed during MHW.

As per Hockey Edmonton guidelines there is a maximum of 5 coaches allowed on the bench at anytime – each of whom must be on the team's HCR Official Team Roster.

All of the individuals working at the games are volunteers (time keepers, button sellers, checkers, Arena Managers, etc.).

All of the Referees **VOLUNTEER** their time during the tournament.

The Arena Manager is in charge of the Arena, decisions they make will be final. Please respect these Managers and remember, like yourselves they are VOLUNTEERS.

At no time are there parents allowed on the ice surface, this includes the finals.

The tournament rules are attached to this email, please be aware of them before you play.

CLARIFICATION: EFHL Individual Penalty Minute Sanctions

Without precedent, for the 2018 Quikcard Edmonton Minor Hockey Week event, penalty minutes accrued by players in QEMHW games do not count towards the EFHL thresholds. Players or team officials under suspension for exceeding an EFHL Individual Penalty Minute threshold may serve said suspension during QEMHW games.

Good luck and enjoy the tournament.

Thanks,
QEMHW Committee
