

Our St. Albert Boys

Logan Hunter, Stephen Wack, Jaxon Joseph

As a St. Albert Community we mourn the loss of three very special and talented young men. Our thoughts and prayers are with all of those who have been touched by this tragedy. The loss of their young and promising lives is incomprehensible and is an extremely difficult time for family & friends. As a community, we are doing a collection for all three families affected by these tragic events. The funds will be distributed equally amongst them to help support them financially with their loss. Our community has shown its strength in the past, and we know that so many people want to reach out to help but just don't know how they can be of support.

An account has been set up, in trust to all three families, at the St. Albert ATB by Walmart. It is setup for e-transfers to specialevents75@gmail.com password is broncos or you can drop into the branch to make a direct deposit into the account number 831-00240872479
